

Welcome Letter SMN and Information

Welcome to the Cheerleading Family,

We are thrilled to welcome you and your child to our cheerleading community! Your decision to sign up for cheerleading is exciting one, and we can't wait to embark on this journey together.

Our dedicated coaching staff is committed to providing a positive and empowering experience for your child. Cheerleading not only builds physical skills but also fosters teamwork, discipline, and self-confidence.

Upcoming orientation (parent meeting) May 13th at Flanders Park Shelter 6:00pm. This is where you will meet all coaches and area directors for the SM North area. Learn about Fundraisers, Uniform sale and practice schedules, and ask and get answers on any question you may have.

Thank you for choosing our cheerleading program. We look forward to the fantastic season filled with cheer, teamwork, and memorable moments.

Best regards,
