

As a teenager growing up in Topeka, Kevin could usually be found at the local golf course with his brother and friends playing 36+ holes of golf in the blazing sun. He would then stop by home for a hamburger and head to the ball park for an evening of baseball game. His love of sports began young and continued through High school where he played football, basketball and golf, graduating from Washburn Rural High School in 1981.

Kevin earned a golf scholarship from Kansas State University, where he met and cheered with the loved of his life, Merilee, whom he soon married and began a beautiful life with in Kansas City. There, they raised four beautiful children, who were the joys of Kevin's life. Kevin coach youth sports for many years, including football, basketball, baseball and soccer, where he touched the lives of hundreds of kids in the area. His football coaching was fulfilled through Kansas City Football and Cheerleading (formerly Football and Cheerleading Club of Johnson County- FCCJC).

He became an avid sports photographer, starting with his own kids and continuing on, creating beautiful collages for many athletes of Shawnee Mission West High School. Kevin spent 25 years at the same company in Kansas City, DST Systems, where he was a software and program developer. He spent countless weekends hours on the lake, boating, skiing, and relaxing with friends and family.

Kevin will always be remembered for his passion for life, and contentment with the simple things.
