RULE CHANGES

Text highlighted in **YELLOW** indicates the new changes or clarifications that are effective at the beginning of the 2018-2019 seasons.

COMMUNICABLE DISEASE PROCEDURE

When a player is bleeding, or has an open wound, or has an excessive amount of blood on the uniform, the player must immediately leave the game. The bleeding must be stopped, the wound cleaned and covered, and the bloody uniform changed (or adequately cleaned or covered) before the player may return to the game.

LIGHTNING POLICY

The safety of players and participants is of utmost importance. Soccer fields can be a dangerous place during severe weather.

- A. You are in danger if you can see lightning.
- B. You are in danger from lightning if you can hear thunder.
- C. Lightning often travels sideways as far as 10 miles and can strike away from any rainfall even when skies are blue.

In the event of a storm, games and/or practices must be stopped and suspended until the danger has passed using the following **minimum** criteria:

- 1. The sighting of a lightning flash or the hearing of a sound of thunder shall be reason enough to immediately stop and suspend a game or practice session:
 - A. Do not wait until it rains
 - B. Do not try to reach the end of a period or the end of the game
- 2. Coaches shall take their players to a safe location upon suspension of a game and/or a practice session;
- 3. Following suspension of a game, the referee shall promptly leave the field to a safe location;
- 4. Play and/or practice shall not be resumed prior to 30 minutes after the last sighting of lightning or the last sound of thunder heard.

MEDICAL JEWELRY POLICY

Any piece of clothing or jewelry that is clearly a medical-alert item must be allowed to be worn and must be secured so as not to be dangerous to other players. Refer to **SAY Playing Rules, Law IV (4)-7-A-Notes**.

CONCUSSION POLICY

As outlined in the SAY National Concussion Policy posted on www.saysoccer.org, all coaches and officials, regardless of their age and/or status, will be required to complete a concussion training course every three (3) years. This training must be completed prior to being able to participate in any SAY activity, whether it be a practice or a game situation.

The policy outlines the "Removal-From" and "Return-to-Play" procedure. Namely, any athlete that exhibits signs and symptoms of concussion either during a practice or during a game, **MUST** be immediately removed. This athlete **MAY NOT** return to play nor participate in any SAY activity on the same day the player has been removed (even if a written medical clearance is provided).

In addition, the athlete is not permitted to return to play nor participate in any SAY activity until they have been assessed and received written clearance by a physician or by another licensed health care provider.

All SAY Areas and Districts are responsible for:

1. Developing and distributing the specific criteria which referee, and coach must follow
2. Monitoring and tracking their referees and coaches with regard to their individual compliance with this policy

NO HEADING POLICY

In order to promote a safer playing environment, all players in the 12U/Strikers and younger age divisions are prohibited from deliberately striking a soccer ball with any portion of their head (a.k.a. heading) in both games and practices.

- A. It is the responsibility of the coaches to restrict any heading activity during practice sessions and to support this no heading policy at all other times.
- B. If a player in a 12U/Strikers or younger division game deliberately heads the ball, the Referee is to stop the game and award an indirect free kick (IFK) to the opposing team in accordance with **LAW XII (12), Section 3-B** of the SAY Playing Rules.

In the 14U/Kickers age division, coaches should limit deliberate heading in practice sessions to a maximum of 15-20 headers and a maximum of 30 minutes total during any 7-day period. There are no limits or restrictions on heading in practices or in games for players in the older age divisions. Coaches should always instruct, teach, and emphasize the importance of player techniques for the heading of soccer balls.

Heading of the ball is allowed in 14U/Kickers and older age divisions without limitations.

SAY ORGANIZATIONAL RULES

For a complete copy of SAY Soccer's Organizational Rules, visit the REFEREE section of www.saysoccer.org.

This is not a complete listing of the Organizational Rules. This only contains those rules that a Referee should know before officiating a game.

RULE 1- PLAYER AGE CLASSIFICATIONS

Age divisions are broken down as follows:

CLASS	DIVISION	AGE (at beginning of year)
ST	4U/Starters	2, 3, & 4
I	6U/Instructional	4 & 5
P	8U/Passers	6 & 7
W	10U/Wings	8 & 9
S	12U/Strikers	10 & 11
K	14U/Kickers	12 & 13
M	16U/Minors	14 & 15
SR	19U/Seniors	16, 17 & 18

RULE 9 - OFFICIAL PROTESTS

1. Judgment calls by Referees may not be protested. For example, no **"official protest"** may be made concerning the Referee's judgment as to:
 - A. Who committed the foul, or whether a foul was even committed;
 - B. Whether a goal was or was not scored;
 - C. Which team should be awarded the ball when the ball goes out-of-play over the goal lines or the touch lines
 - D. Allowing or failing to allow an "advantage", etc.
2. An **"official protest"** concerning any incidents which occur during the game may be lodged by the head coach, only if it is alleged a SAY PLAYING RULE was incorrectly applied or enforced by the Referee.
3. **Official Protest Procedure**
 - A. An informal, but official, verbal protest must be made to the Referee(s) by the head coach at (preferably) or close to, the time of the incident; but in all cases, it must be made before the Referee(s) have left the playing area.
 - B. A simple or vague complaint about a call or calls will not suffice - the words **"official protest"** must be used, and the reason for the protest must be made clear. (If this is done at the time of the incident, a mistake by a Referee can often be easily rectified without the need for any further action). Any coach who has made an official verbal protest may withdraw that protest at any time.
 - C. The opposing coach must be notified of the protest by the Referee before leaving the playing area.

RULE 10 - MINIMUM TEAM FORFEITS

1. Teams from within the same District must field no fewer than the legally required minimum number of players, as stated in the SAY Playing Rules (i.e. seven (7) players for an 11v11 game and a lesser number for small-sided games) at the scheduled starting time.
2. Teams from out-of-District are allowed a 20-minute grace period and must by then field at least the legally required minimum number of players, as stated in the SAY Playing Rules (i.e. seven (7) players for an 11v11 game and a lesser number for small-sided games).

RULE 12 - PLAYER PARTICIPATION

1. Every player present at the start of the game shall play the equivalent of approximately one-half of the regulation game unless:
 - A. The player is injured prior to the start of the game, and notification of the injury is given to the Referee(s) and the opposing coach before the start of the game.
 - B. The coach has a letter from the District Representative granting permission to withhold the player from the game. This letter must be shown to the Referee and the opposing coach prior to the start of the game.

Note: Once the letter is presented to the Referee(s), the player may not participate in that game under any circumstances.
2. It is NOT the responsibility of the Referee(s) to keep track of any player's time in the game. That responsibility belongs to the league administrators.

RULE 17 - SYSTEMS OF OFFICIATING

1. In the One Referee (one whistle) system, only the Referee shall have authority and responsibility for the calling of fouls and violations by the use of the whistle. Where club linesmen are used, their duties are to be limited to calling balls in and out of bounds.
2. In the Two Referee (two whistles system), both officials have equal authority and responsibility for the calling of fouls and violations by the use of the whistle on any part of the field at any time.
3. In the Three Officials systems, two options are available:
 - A. The "Diagonal System" (one whistle) with one Referee and two Assistant Referees where:
 - 1) Only the Referee shall have the authority and responsibility for the calling of fouls and violations by the use of the whistle.
 - 2) The two Assistant Referees shall assist the Referee as described in **LAW VI (6)** of the SAY Playing Rules.
 - 3) The Referee shall accept the calls of an Assistant Referee with regard to incidents that do not come under the personal notice of the Referee. However, at all other times, the Referee is not obligated to, and may or may not accept the calls of an Assistant Referee, in accordance with the Referee's own judgment, even if the effect is to nullify or grant a goal.
 - B. The "Modified Diagonal System" (three whistles) is where all three officials shall perform as "Referees" and shall have equal authority and responsibility for the calling of fouls and violations by the use of the whistle on any part of the field at any time.

SAY PLAYING RULES

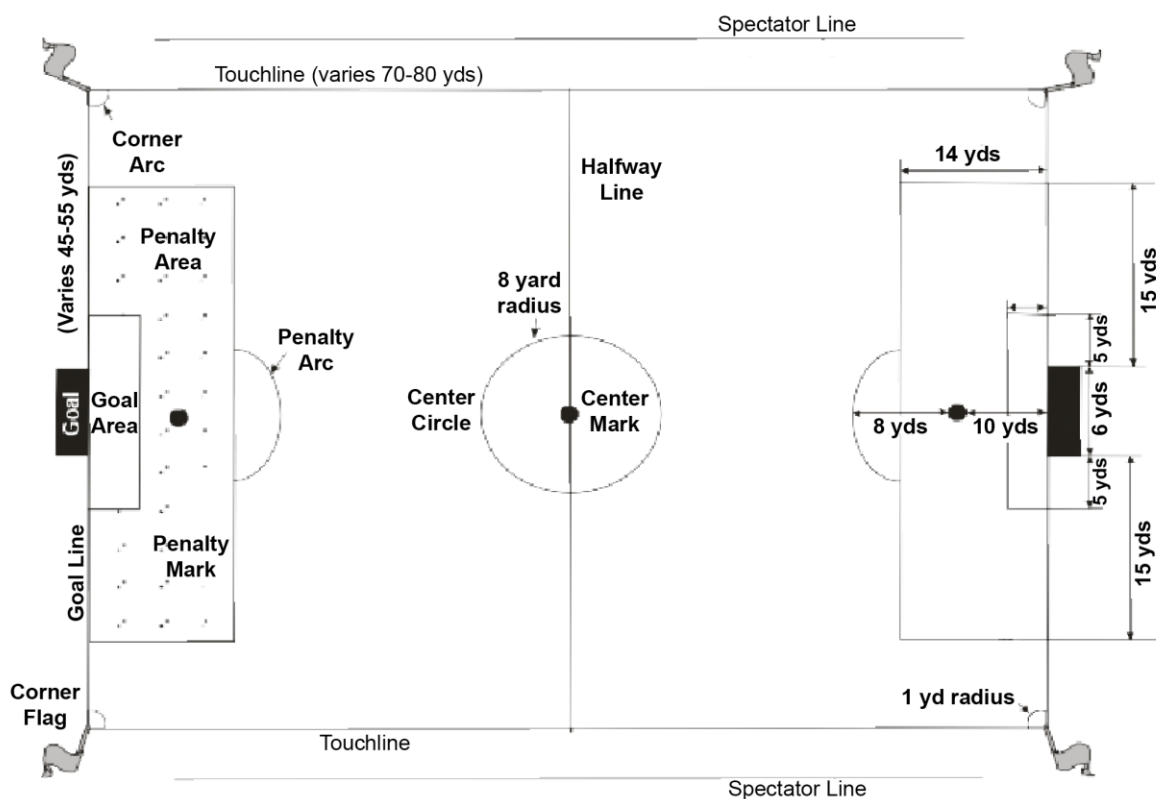

THE LAWS OF THE GAME GENERAL PREFACE

1. The definitive laws of the game of soccer are those of Federation International Football Association Board (IFAB). These laws apply all over the world and provide a standard that governs international competition.
2. U.S. Soccer, the National Collegiate Athletic Association (NCAA), and the National Federation of State High School Associations (NFHS) all have their own set of laws, or rules, which basically conform to the IFAB Laws, but which also have variations unique and appropriate to their organizations.
3. The IFAB Laws of the Game shall apply to SAY play, except as may be amended in these SAY Playing Rules.
 - A. The SAY modifications of the IFAB Laws of the Game are intended to change the nature of the game as little as possible and are primarily directed toward creating a safer game that is more age appropriate for the participants and a means for all players to participate.
 - B. The interpretations of the SAY Playing Rules are the responsibility of the Director of Officials of SAY and, with the approval of the SAY National Board, are binding upon participants in the SAY program.
4. The SAY Playing Rules have been modified in their application to include provisions for small-sided team games at all levels of play. Most of the standard IFAB Laws of the Game still apply.
5. All team members and coaches are subject to these SAY Playing Rules, whether on or off the field-of-play.

 - b) The signal from the Referee shall be made by a definite gesture, which makes the player understand that permission has been given to come onto the field-of-play.

 - d) If a team is playing "shorthanded" due to a player having been instructed by the Referee to leave the field-of-play to correct an equipment problem, the player may only re-enter the game when the ball is out of play in accordance with **LAW IV (4), Section 8**.

LAW IV (4) - PLAYER'S EQUIPMENT

 - E. For an unresolved color conflict, the Referee (s) may permit the game to proceed.
5. Shin-guards, which must be covered entirely by socks, shall be made of a suitable material (rubber, plastic, polyurethane or similar substance) and shall afford a reasonable degree of protection.

NOTES:

- 1) The foregoing examples are not intended to be all-inclusive. The Referee(s) may determine other equipment to be illegal or dangerous.
- 2) All items of jewelry are normally considered dangerous; however, any item of clothing or jewelry that is clearly medical or religious in nature must be allowed to be worn and must be secured so as not to be dangerous to other players. For example:
 - A. Bracelet tags should be securely wrapped or taped over so as not to hang loose and to cover any sharp edges.
 - B. Tags worn on a necklace should be taped to the inside of the jersey, so as not to flop loosely during play.
- 3) Nevertheless, the items listed in 7-A are to be considered illegal equipment (except as noted above) at all times. The wearing or use of these items shall not be permitted at any time, even by agreement between the coaches and the Referee(s).
 - A. Legal Equipment: The following shall be considered examples of legal equipment, and as such may, as noted, be worn by any player:
 - 1) Soft headwear such as knit caps
 - 2) Goalkeepers may wear goalkeeper gloves
 - 3) Goalkeepers may wear a soft-billed cap or a properly fitted and fastened safety helmet, made of foam or other soft material
 - 4) Hearing aids
 - 5) Eyeglasses with or without a strap
 - 6) Contact lenses;
 - 7) Soft gloves
 - 8) Warm-up suits, hooded sweatshirts, sweat pants and similar soft apparel- but only if worn under the player's uniform

8. **PUNISHMENT**: For any infringement of this **LAW IV (4)**:

- A. The player shall be instructed by the Referee to immediately:
 - 1) Adjust their equipment, or
 - 2) Obtain missing equipment, or
 - 3) Leave the field-of-play to do so, if corrections on the field are deemed to be impractical.
- B. A player, who has been instructed to leave the field-of-play, shall not return without first reporting to the Referee (or an Assistant Referee), who shall determine if that player's equipment is in order.

LAW V (5) - REFEREES

- 1. It is the SAYArea's responsibility to decide the system of referring to be used within the SAYArea.
- 2. At least one Referee shall be assigned to officiate the game.
- 3. Decisions will be made to the best of the Referee's ability according to these Laws and the 'spirit of the game.' Such decisions will be based on the opinion of the Referee, who has the discretion to take appropriate action accordingly.
- 4. The authority and the exercise of the powers granted to Referees by these Laws commence as soon as they enter the field-of-play.
 - A. The power of penalizing shall extend to offenses committed when play has been temporarily suspended, or when the ball is out-of-play.
 - B. A Referee's decision on points of fact shall be final.
- 5. The Referee shall:
 - A. Enforce the laws,
 - B. Refrain from penalizing in cases where doing so would be giving an advantage to the offending team,
 - C. Act as the official timekeeper,
 - D. Have the authority to stop the game for any violations of the Laws and to suspend or terminate the game if weather conditions or actions of spectators or players indicate a stopping is necessary. Such stoppage and the reasons therefore should be reported to the league administrator.
 - 1) A Referee may refuse to start a game, or may stop it once play has started, if in the Referee's judgment, the condition of the field is such as to endanger the players.
 - 2) In the event of a storm, play must be stopped and suspended until the danger has passed using the following minimum criteria:
 - a) The sighting of a lightning flash or the hearing of the sound of thunder shall be reason enough to stop and suspend a game **immediately**, and
 - b) Play shall not be resumed prior to 30-minutes after the last sighting of lightning or the last sound of thunder heard **(See Lightning Policy on Page 2)**
 - E. Caution (and show a yellow card) to any player **or team official (coach)** guilty of misconduct or any cautionable offense; and eject (first show a yellow card then show a red card) to any player or **team official (coach)** who persists in misconduct.
 - F. Allow no one other than the active players and Assistant Referees to enter the field without permission.
 - G. Stop the game if a player is injured, but not during a drive on goal unless the injury appears to be serious. (The nearest official is obliged to quickly check the conditions of the injured player). The Referee need only have reason to believe a player is seriously injured to stop the game, even if there is a drive on goal.

- H. The Referee will ensure any player with visible blood or bleeding leaves the field of play. **(See “Communicable Disease Procedure” details on Page 2).**
- I. Eject (and show a red card) to any player **or team official (coach)** who is guilty of a send-off offense. Any ejection should be reported promptly to the league administrator.
- J. Signal for the restart of the game after any stoppage.
 - 1) A free kick may be taken as soon as the ball is properly placed, without a whistle. However, the Referee(s) may delay such a “quick” free kick at their discretion, but upon which the restart must be with a whistle.
 - 2) A signal with the whistle
 - a) May or may not be given after a substitution,
 - b) Shall be given after an extended time out, or for the taking of a penalty kick or for the taking of a kick-off.
- K. Restart the game with a dropped ball in accordance with **LAW VIII (8)**:
 - 1) After an injury (no foul having been committed); or
 - 2) After unresolved Referee decisions (such as when the Referee blows the whistle by mistake); or
 - 3) After any stoppage of play due to the condition of the field, its equipment, or the elements, but only after such conditions are remedied or the danger passed to the satisfaction of the Referee; or
 - 4) When the Referee is uncertain which team last touched the ball prior to it going over the touch line or goal line (but not between the goal posts).
- L. Use appropriate hand signals ... see **Appendix B**.
- M. Approve any ball that is to be used in the game.

NOTES:

- 1) **Referees are discouraged from issuing cautions or ejections to 8U/Passers and younger players. The Referee should talk to the player and/or the coach in an attempt to resolve the misbehavior before the issuing of cards.**
- 2) In 8U/Passers and 10U/Wings matches, it is recommended all infractions be briefly explained by the Referee to the offending player.
- 3) A Referee may reverse a decision as long as play has not been restarted. Also, a Referee’s decision may not be changed once the Referee has signaled the end of a half and left the field-of-play, i.e. during the half-time interval or after the game.
- 4) If the “advantage clause” has been applied, and the advantage that was anticipated does not develop at that time, the Referee shall whistle and penalize the original offense.
- 5) Games should be played with as little interference as possible. It is the duty of the Referee(s) to penalize only deliberate breaches of the Law. Constant whistling for trifling and doubtful breaches produces bad feeling and loss of temper on the part of the players and spoils the pleasure of spectators.
- 6) Games may not be forfeited by Referees. Conditions indicating a possible forfeit must be reported to the District Representative for a decision.
- 7) If a player or players, either on the same team or on opposing teams simultaneously commit two violations, one of which calls for an INDIRECT free kick (IFK), and the other of which calls for a DIRECT free kick (DFK), the DFK shall be awarded.

- 8) If two players from opposing teams simultaneously commit two violations, each of which calls for the same type of free kick (DIRECT or INDIRECT), the Referee, exercising a reasonable discretion may either:
- a) Allow play to continue, or
 - b) Stop play, admonish, caution or eject either or both players, as may be appropriate, and restart the game with a dropped ball, in accordance with **LAW VIII (8)**.
- 9) During the course of the game, all coaches may coach their players from the touchline, subject to the following:
- a) Coaching shall be limited to verbal communications with the players of the coach's team.
 - b) Megaphones, bullhorns, etc. may not be used.
 - c) No coaching or comments shall be directed to the players or coaches of the opposing team.
 - d) All coaches must remain on the side of the field where the team's substitutes are situated, and
 - 1) If both teams are on the same side, between the Halfway Line and the Penalty Area Line;
 - 2) If the teams are on opposite sides, between the Penalty Area Lines.
 - e) PUNISHMENT: For violation of this **LAW V (5), NOTE 8**:
 - 1) The offending coach shall be cautioned and shown a yellow card.
 - 2) The offending coach shall be ejected from the playing field and shown a red card upon receiving a second caution.
 - 3) The offending coach shall be ejected from the playing field and shown a red card upon exhibiting any excessive unruly behavior.
- 10) Required Referee equipment:
- a) Whistle(s)
 - b) Watch(es)
 - c) Red and yellow cards
 - d) Notebook (or other means to keep a record of the match)
- 11) Guidelines for Referee uniforms can be found in **Appendix A**.

LAW VI (6) – ASSISTANT REFEREES (AR)

1. If only one Referee is available to officiate a game, the Referee may appoint two "club" linesmen to assist, but only by indicating when the ball goes out-of-bounds.
2. Two trained, neutral Assistant Referees may be appointed by the Referee Administrator, whose duty (subject to the decision of the Referee) shall be to indicate:
 - A. When the ball is out of play
 - B. Which side is entitled to a corner kick, goal kick, or throw-in
 - C. When a substitute is desired
 - D. When a player may be penalized for being in an offside position
 - E. When a foul, misconduct, or other incident has occurred out of the vision of the Referee.
3. The Referee should provide the Assistant Referees with flags to be used in the game.
4. In the event of undue interference or improper conduct by an Assistant Referee, the Referee shall dispense with their services and arrange for a substitute (or club linesman) to take their place, and the matter shall then be reported to the competent authority.

LAW VII (7) - DURATION OF THE GAME

1. All games will be played in periods of either four (4) equal quarters or two (2) equal halves, as determined by the leagues, with a kick-off being each period.
 - A. Teams will change ends the beginning of each period.
 - B. Teams will alternate kicking off at the beginning of each period
 - 1) The team kicking off in the 1st quarter will kick off in the 3rd quarter.
 - 2) The team kicking off in the 2nd quarter will kick off in the 4th quarter.

2. Time of the periods shall be as follows:

Division	Time Periods

3. Intervals between the 1st + 2nd quarter and the 3rd + 4th quarters will be one (1) minute. The half-time interval will be five (5) minutes.
4. Allowances shall be made (added time) within each period for time lost through injury or other cause, the amount of which shall be added at the discretion of the Referee at the end of the period. This time may not be added to a different period.
5. A period shall be extended to permit the taking of a penalty kick, which was awarded before time ran out. Time may not be extended for the taking of any other free kicks.
6. Play ends when time (which includes added time) runs out, regardless of the position or motion of the ball at that time.
7. If a game has been stopped for any reason, and it cannot be restarted:
 - A. If less than one-half has been played, it must be rescheduled in its entirety
 - B. If at least one-half has been played, it shall be considered an official game.
8. The referee is to make allowances for time lost due to safety-oriented stoppages permitted by the SAYArea or competition rules, i.e. "drink" breaks should not exceed one (1) minute and "cooling" breaks should be about three (3) minutes.

LAW VIII (8) – THE START AND RESTART OF PLAY

KICKOFF

1. Prior to the game, choice of ends shall be decided by the toss of a coin.
 - A. The team winning the toss will choose whether to kick-off or decide which goal to attack during the first period
 - B. Depending on the winner's choice, the other team shall take the kick-off or decide which goal to attack in the first period
 - C. The team that decided which goal to attack in the first period shall take the kick-off to start the second period
2. Upon the Referee's whistle, the game is started or restarted by a player taking a kick from the center mark. For every kick-off:
 - A. All the players of each team, **except the player taking the kick-off**, must be in their team's half of the field, i.e., the kicker (and only the kicker) may be entirely in the opponent's half of the field at the taking of the kick.
 - B. And, the players of the opposing team must be outside the center circle.
3. On a kick-off, the ball is in play when it is kicked in any direction and clearly moves.
4. The kicker may not play the ball again until it has been touched by another player.
 - A. **PUNISHMENT:** For playing the ball twice in succession, an INDIRECT free kick (IFK) is awarded to the opposing team at the point where it was touched the second time.
5. A goal may be scored directly (first touch) against the opponents from a kick-off, but if kicked directly into the kicker's own goal, a corner kick is awarded to the opponents.
6. After a goal has been scored, the game is restarted with a kick-off by the team scored against.

DROPPED BALL

7. On any occasion where it is necessary for the Referee to temporarily stop a game, while the ball was in play, for any reason not mentioned elsewhere in these Laws, play is restarted with a dropped ball at the location where the ball was when play was stopped.
 - A. The ball is dropped for the defending team goalkeeper in the Penalty Area if, when play was stopped:
 - 1) The ball was in the Penalty Area
 - 2) The last touch of the ball was in the Penalty Area
 - B. In all other cases, the Referee drops the ball for one player of the team that last touched the ball at the position where it last touched a player, an outside agent, or a match official [as outlined in LAW IX (9)]
 - C. All other players (of both teams) must remain at least 4 yards from the ball until it is in play
8. A dropped ball shall be in play when it makes contact with the ground.
 - A. If a player touches the ball before it makes contact with the ground, the Referee shall drop the ball again.
 - B. If a dropped ball leaves the field-of-play (including into the goal line) after it makes contact with the ground and before being touched by any player, the Referee shall drop the ball again.
 - C. The ball must be touched by at least two different players (on either team) in order for a goal to be awarded.
 - D. If a dropped ball is kicked directly (first touch) into the opponents' goal, a goal shall not be awarded, and the game will restart with a goal kick by the opposing team.
 - 1) If a dropped ball is kicked directly (first touch) into the team's own goal, a goal shall not be awarded, and the game will restart with a corner kick by the opposing team.

SMALL-SIDED 7v7 BUILD-OUT AREA- 8/U Passers & 10/U Wings

10. The opposing team must move outside the Build-Out Area:
 - A. On all goal kicks
 - B. On any defensive free kick taken anywhere within the Build-Out Area (and players must also move and remain at least 8-yards from the ball)
 - C. Whenever the goalkeeper gains possession of the ball with their hands during play.
11. The opposing team's players must remain outside the Build-Out Area until the ball is put back into play on all restarts taken within the Build-Out Area by the defending team.
 - A. On goal kicks the ball is in play when **it is kicked and clearly moves**.
 - B. On free kicks (DFK or IFK) taken from within the Penalty Area, the ball is in play when **it is kicked and clearly moves**.
 - C. On free kicks (DFK or IFK) taken from outside the Penalty Area, the ball is in play when it is kicked and clearly moves.
 - D. On goalkeeper possession, the ball is in play when:
 - 1) The ball is placed on the ground and kicked
 - 2) The goalkeeper releases the ball by rolling it into play
 - 3) The goalkeeper releases the ball by throwing it into play
12. Goalkeepers have six (6) seconds to put the ball back into play once the ball is in their possession **and** opponents have moved outside the Build-Out Area.
13. After the ball is put back into play, the opposing team's players may then move into the Build-Out Area and play resumes as normal.
14. Opponents who enter the Build-Out Area before the ball is put back into play are guilty of encroachment. The Referee should stop play and restart with an indirect free kick (IFK) at the spot of the encroachment.
15. Goalkeepers are not allowed to punt or drop-kick the ball. If the goalkeeper punts or drop-kicks the ball, an indirect free kick (IFK) is awarded to the opposing team at the spot of the offense.
16. At any time, the defending team may put the ball back into play before their opponents have moved outside the Build-Out Area, but by doing so they accept the positioning of their opponents and the consequences of how play resumes.

OTHER RESTARTS

17. Offences that occur when the ball is not in play do not change how play is restarted.
18. Free kick (DFK or IFK), penalty kick, goal kick, and corner kick restarts are covered in ***LAWS XIII (13) thru XVII (17)***.

LAW IX (9) - BALL IN AND OUT-OF-PLAY

1. The ball is out-of-play when:
 - A. The whole of the ball completely passes over the entire Goal Line or Touchline, whether on the ground or in the air
 - B. The game has been stopped by the Referee, including when the Referee accidentally blows the whistle
 - C. It touches the Referee or Assistant Referee without completely leaving the field of play and:
 - 1) A team starts a promising attack, or
 - 2) The ball goes directly into the goal, or
 - 3) The team in possession of the ball changes.

In all of these cases, play is restarted with a dropped ball.
2. The ball **remains** in-play at all other times **when**:
 - A. If it rebounds on the field from the goal post, cross bar, or corner flag
 - B. If it touches the Referee or Assistant Referee but does not change its direction.
 - C. If there is an apparent violation, but no signal has been given by the Referee

LAW X (10) – METHOD OF SCORING

1. Except as otherwise provided by these Laws, a goal is scored when the whole of the ball passes completely over the Goal Line, between the goal posts and under the crossbar.
2. A goal shall not be awarded if the goalkeeper throws the ball directly into the opponent's goal. Play is to be restarted with a goal kick.
3. The team scoring more goals shall be the winner. If there are no goals, or an equal number of goals are scored by each team, the game shall be a draw.

NOTES:

- 1) A goal shall not be allowed if the whole of the ball has not crossed the entire Goal Line.
- 2) If an "outside agent" interferes with play or touches the ball, play shall be stopped. Anyone not named on the team list as a player, substitute or team official, is considered to be an "outside agent", which also includes an extra ball, other object or animal.
 - a) The game shall be restarted with a dropped ball in accordance with **LAW VIII (8)**, where the ball came into contact with the interference.
 - b) If a ball is going into the goal, a goal should be awarded (even if contact is made with the ball) if it continues on into the goal and the interference does not prevent a defender from being able to play the ball.
 - c) A goal shall not be awarded if the ball touches an outside agent, which changes its direction causing the ball to enter the goal.
 - d) A goal shall not be awarded if the ball touches an outside agent and never enters the goal.
 - e) The Referee or Assistant Referee are not considered "outside agents".

- 3) If a substitute or a team official enters the field-of-play without the Referee's permission and interferes with play, play shall be stopped.
 - a) The game shall be restarted with a direct free kick (DFK) or a penalty kick (PK) depending upon where the interference occurred.
 - b) A goal should be awarded if the ball touches a substitute or team official, but continues on into the goal, and the interference does not prevent a defender from being able to play the ball.
 - c) A goal shall not be awarded if the ball touches a substitute or team official and never enters the goal.
 - d) A goal shall not be awarded if the ball enters the opponents' goal (i.e. a goal cannot be awarded to the team interfering with play).
- 4) A goal may not be awarded if the ball touches the Referee or Assistant Referee, which then changes its direction and enters the goal.
- 5) The Referee may not award a goal unless in a position to observe and be certain the ball has completely crossed the goal line, or an Assistant Referee is in such a position and signals that fact to the Referee.

LAW XI (11) – OFFSIDE

1. **The Offside Law shall not apply to any 8U/Passer division games**
2. A player is in an offside position at the moment the ball is played or touched by a teammate. If any part of their head, body or feet is:
 - A. Nearer the opponents' goal line than the ball, and
 - B. In the opponents' half of the field (excluding the Halfway Line). (**Exception: 10U/Wings division – in the opponent's Build-Out Area**) and
 - C. Closer to the opponents' Goal Line than the second-to-last opponent. (A player who is even with the second-to-last opponent or with the last two opponents is not in an offside position).

NOTE: The hands and arms of all players are not included when judging offside position.
3. The offside offense may only be called against a player who is in an offside position and subsequently becomes involved in active play by:
 - A. Interfering with play, **or**
 - B. Interfering with an opponent, **or**
 - C. Having gained an advantage by being in that position. A player gains an advantage by playing (touching) the ball or interfering with an opponent when:
 - 1) The ball rebounds or deflects off the goalpost, crossbar, or an opponent
 - 2) An opponent (goalkeeper or defender) deliberately stops, or attempts to stop, a ball which is going into or very close to their goal.
4. A player shall not be declared offside:
 - A. Merely because of being in an offside position, **or**
 - B. If the player receives the ball directly from
 - 1) A goal kick
 - 2) A corner kick
 - 3) A throw-in
 - C. If the player receives the ball having been last played by an opponent.

5. **PUNISHMENT:** If a player is declared offside, the Referee shall award an indirect free kick (IFK) to the opposing team subject to the overriding conditions of **LAW XIII (13)**.
- A. The kick shall be taken by an opponent from the place where the offside offense occurred.
 - B. The offense occurs where the offside player becomes involved in active play, i.e. where the player touches the ball or interferes with an opponent. This includes if the offense occurs in the player's own half of the field (or in a 10U/Wings division, outside the opponent's Build-Out Area).

NOTES:

- 1) The **offside position** shall be judged at the moment when the ball was last played or touched by a teammate, but the **offside offense** occurs when and where the player in question becomes actively involved in play.
- 2) Players, who are not in an offside position at the moment when the ball is last played or touched by a teammate, do not commit an offside offense if they move forward ahead of the ball or past the next to last defender during the flight of the ball.
- 3) A defending player, who leaves the field-of-play, shall be considered to be on the Goal Line or Touchline for the purpose of judging offside.
- 4) When a player in an offside position, who is moving towards the ball with the intention of playing it, is fouled before interfering with play or an opponent, the foul should be penalized with a free kick, since it occurred before the offside offense materialized.
- 5) **In 10U/Wings division games, players are not in an offside position when they are completely within the area between the two Offside Lines and thus cannot be guilty of being offside. Attacking players are in an offside position only when they are in an opponent's half of the field between the Offside Line and the Goal Line, i.e. the Build-Out Area.**

LAW XII (12) – FOULS AND MISCONDUCT

1. Direct and indirect free kicks (**LAW XIII {13}**) and penalty kicks (**LAW XIV {14}**) can only be awarded for fouls and misconduct offenses committed while the ball is in play.
2. **In the 8U/Passers division all fouls (including within the Penalty Area) shall result in an indirect free kick (IFK) restart.**
3. **Direct Free Kick (DFK)**
 - A. A direct free kick (DFK) is awarded to the opposing team if a player inside the field-of-play commits any of the following seven (7) offenses, while the ball is in play, in a manner considered by the Referee to be careless, reckless, or involving disproportionate force:
 - 1) Kicks or attempts to kick
 - a) An opponent
 - b) The ball while in the possession of the goalkeeper
 - 2) Trips or attempts to trip an opponent

 - 7) When tackling or challenging an opponent, to gain possession of the ball, makes contact with the opponent:
 - a) Before contact is made with the ball
 - b) On any tackle or challenge made from outside peripheral vision (the rear 180 degrees) of the opponent, even if first contact is with the ball
 - B. A direct free kick (DFK) is also awarded to the opposing team if, while the ball is in play, a player inside the field-of-play commits any of the following **six (6)** offenses:
 - 1) Holds an opponent
 - 2) Bites or spits at anyone
 - 3) Obstructs an opponent with contact
 - 4) Throws or **kicks** an object at the ball, opponent or match official
 - 5) Makes contact with the ball with a held object (including the goalkeeper)
 - 6) Handles the ball deliberately, i.e. carries, strikes, or propels the ball with hand or arm (this does not apply to goalkeepers within their own Penalty Area). **The following "handball" situations, even if accidental, will also result in a free kick to the opponents:**
 - a) **The ball goes into the goal after touching an attacking player's hand or arm**
 - b) **A player gains control or possession of the ball after it has touched their hand or arm and then scores, or creates a goal-scoring opportunity**
 - c) **The ball touches a player's hand or arm which has been extended into an unnatural position**
 - d) **The ball touches a player's hand or arm when it is above their shoulders**

- C. A direct free kick (DFK) or penalty kick is awarded to the opposing team if the ball is in play and a player inside the field-of-play commits any DFK offense against a teammate, substitute, team official or match official.
- D. If an offense involves contact, it is penalized with a direct free kick (DFK) or penalty kick.
 - 1) "Careless" is when a player commits an offense, which is typically unintentional and the result of inattentiveness, poor judgment, or lack of skill or timing in an attempt to make a play on the ball.
 - 2) "Reckless" is when a player disregards (ignores) the danger to, or consequences for, an opponent. The player should be cautioned.
 - 3) Using "disproportionate force" is when a player exceeds the necessary use of force and endangers the safety of an opponent. The player should be ejected.
- E. The direct free kick (DFK) shall be taken by the opposing team in accordance with criteria outlined in **LAW XIII (13)**

4. **Penalty Kick:**

- A. Should a player of the defending team commit one of the above DFK offenses within their own Penalty Area, a penalty kick shall be awarded and taken by the opposing team in accordance with criteria outlined in **LAW XIV (14)**.
- B. A penalty kick can be awarded irrespective of the position of the ball, if in play, at the time any direct free kick (DFK) offense within the Penalty Area is committed.

5. **Indirect Free Kick (IFK):**

The commission of any of the following offenses will result in the award of an indirect free kick (IFK), taken by the opposing team at the point of the offense subject to the overriding conditions of **LAW XIII (13)**:

A. DANGEROUS PLAY: Playing in a manner that could result in injury to any other player or to oneself.

"Dangerous Play" is a judgment call. The following are examples only and are not exclusive:

- 1) Raising the foot, in an attempt to play the ball, to the level of another player's chest or higher when any other player is in normal position
- 2) Using a double kick (scissors or bicycle) within playing distance of another player (teammate or opponent)
- 3) Lowering the head to the level of the waist or lower in an attempt to head the ball in the presence of another player
- 4) Playing or attempting to play the ball while lying on the ground within playing distance of another player

B. HEADING THE BALL RESTRICTIONS: If a player in an 8U/Passers through 12U/Strikers game **deliberately** strikes the ball with any portion of their head, an indirect free kick (IFK) is to be awarded to the opposing team from the spot of the infraction. If the infraction is committed by a defensive player within their own Penalty Area, the IFK is to be taken with the ball placed on the nearest part of the **Penalty Area Line**, which runs parallel to the Goal Line, at the point nearest to where the offense was committed. Such a deliberate act is considered the same as a dangerous play offense.

- 1) If a player does not deliberately play or attempt to play, then no offense has occurred, and play should continue.
- 2) A player shall not be cautioned nor sent-off for persistent infringement, as a result of a heading infraction.
- 3) A player shall not be cautioned nor sent-off for denying an obvious goal scoring opportunity, as a result of a heading infraction.

- C. SLIDE TACKLING FROM BEHIND WITH NO CONTACT:** A slide tackle made from outside the peripheral vision (the rear 180 degrees) of an opponent in control of the ball where no contact is made with either the ball or the player.
- D. CHARGING FAIRLY:** (i.e. with the shoulder to the shoulder of an opposing player, when each player has at least one foot on the ground) when the ball is not within playing distance of the involved players.
- E. OBSTRUCTION:** When not playing the ball, intentionally interposing the body to impede an opponent's movement (without contact).
- F. FOULS AGAINST GOALKEEPER:** Charging a goalkeeper:
- 1) While the ball is in goalkeeper possession
 - 2) In the Goal Area, whether or not the ball is in goalkeeper possession.

G. IMPROPER CLEARING OF THE BALL BY THE GOALKEEPER:

The following rules shall apply to goalkeepers when clearing the ball:

- 1) Goalkeepers may run or walk with the ball and take any number of steps while inside the Penalty Area, as long as there is no excessive delay in clearing the ball.
- 2) For 10U/Wings, 12U/Strikers, 14U/Kickers, 16U/Minors, and 19U/Senior divisions:
 - a) The goalkeeper from the moment they take full control of the ball with their hands, may take no more than six (6) seconds while holding, bouncing or throwing the ball in the air and catching it again without releasing it into play.
 - b) The goalkeeper, having released the ball into play may not touch the ball again with their hand (s) unless it has been touched or played:
 - i. By a player of the opposing team (either inside or outside) of the Penalty Area
 - ii. Subject to provision (c) noted below, by another player of the goalkeeper's team outside of the Penalty Area
 - c) On any occasion when a player deliberately kicks the ball, or throws the ball on a throw-in directly to their own goalkeeper:
 - i. Goalkeeper is not permitted to touch it with their hands
 - ii. If, however, the goalkeeper does touch the ball with hands, they shall be penalized by the award of an indirect free kick (IFK) to be taken by the opposing team from the place where the offense occurred, and in accordance with the overriding conditions of LAW XIII (13).

Exception: The preceding rules 5G-2 do not apply in any way to 8U/Passers.

- 3) **8U/Passers and 10U/Wings goalkeepers are not allowed to punt or drop-kick the ball. An indirect free kick (IFK) is awarded to the opposing team at the spot of this infraction.**

NOTES:

- 1) "Possession" by the goalkeeper is having control, even if only with one hand. One hand includes any part of the arm from the fingertips to the shoulder. Holding the ball with both hands, trapping the ball between one hand and any surface (e.g. the ground, a goalpost, the goalkeeper's body), or holding the ball in an outstretched open palm is considered to be in the goalkeeper's possession.
- 2) Charging of the goalkeeper in the Goal Area or when the ball is in goalkeeper's possession or attempting to kick a ball that is in the goalkeeper's possession MUST be punished by a caution or ejection, the choice to be subject to the Referee's judgment.

- 3) If a player impedes the progress of the opposing goalkeeper, in an attempt to prevent the goalkeeper from putting the ball back into play, the Referee shall award an indirect free kick (IFK).
- 4) If a player places their body between the ball and an opponent without touching it in an endeavor not to have it played by an opponent, the player is considered to be shielding the ball. As such this player does not violate **LAW XII (12), Section 5-E above**, as long as the ball remains within playing distance.
- 5) Deliberate parrying of the ball by a goalkeeper shall not be considered as goalkeeper possession and, as such, the goalkeeper is free to subsequently pick-up the ball without being subject to penalty.
- 6) Restarts for offenses, which occur off the field-of-play, are covered in **LAW XIII (13), Section 9**.

6. **CAUTION- YELLOW CARD**

- A. A caution SHALL be administered:
 - 1) If a player enters or leaves the field of play without the Referee's permission
 - 2) If a player persistently violates the Laws of the Game
 - 3) If a player, substitute, or team official (coach) shows dissent by words or action with any decision of the Referee
 - 4) If a player or substitute engages in unsporting behavior (e.g. an attempt to prevent a throw-in from being taken, or to prevent a goalkeeper from clearing the ball, or use of inappropriate language or gestures)
 - 5) If a player fails to respect the required distance when play is restarted, or otherwise delays the restart of play
 - 6) If a player, in an attempt to make a play on the ball **within their own Penalty Area**, commits an offense resulting in a penalty kick (and it is not an offense punishable by a red card), but does deny the attacking team an obvious goal-scoring opportunity
 - 7) If a player deliberately handles the ball:
 - a) In an attempt to score a goal (successfully or not)
 - b) In an unsuccessful attempt to prevent a goal
 - c) To interfere with or stop a promising attack
 - 8) If a player commits a direct kick offense in a reckless manner.
- B. The Referee need not stop the game to administer a caution; the advantage clause may be invoked. The caution will be administered as soon as play stops.
- C. If the Referee stops the game solely for the purpose to administer a caution, the game shall be restarted by an indirect free kick (IFK) taken by a player of the opposing team from the place where the ball was when the Referee stopped the game, subject to the overriding conditions of **LAW XIII (13)**.
- D. A cautioned player may remain in the game or be replaced at the discretion of the coach. If replaced, the cautioned player may return at the team's next substitution opportunity.

NOTES:

- 1) If a player leans on the shoulders of a teammate in order to head the ball, the player shall be cautioned for unsporting behavior.
- 2) Players who position their arms to obstruct an opponent, step from one side to the other, move their arms up and down to delay or force an opponent to change course, but do not make "bodily contact" shall be cautioned for unsporting behavior.
- 3) If a goalkeeper intentionally lies on the ball longer than necessary, the goalkeeper shall be cautioned for unsporting behavior.

7. **SEND OFF- Red CARD:**

A. A player or substitute shall be ejected from the game for:

- 1) Violent conduct, i.e. when a player uses or attempts to use excessive force (regardless of whether contact is made) against anyone
- 2) Serious foul play, i.e. a tackle or challenge that endangers the safety of an opponent or uses excessive force
- 3) Deliberately handling the ball, thereby denying their opponent a goal, or an obvious goal-scoring opportunity, (other than the goalkeeper within their own Penalty Area)
- 4) Obstructing an opponent who is **outside the Penalty Area** and moving toward their opponent's goal with an obvious goal-scoring opportunity, by committing any offense punishable by a free kick and thereby denies the attacking team an obvious goal-scoring opportunity
- 5) Denying an obvious goal-scoring opportunity **within the player's own Penalty Area** by committing a direct free kick offense that is not considered an attempt to or the possibility of being able to play the ball, e.g. deliberate handling, holding, pushing;

NOTE: Applications of provisions 7A (3), (4), and (5) may be inappropriate for 8U/Passers, 10U/Wings and younger divisionsi

- 6) Spitting at an opponent or any other person
 - 7) Using offensive, insulting, or abusive language and/or gestures or other verbal offenses
 - 8) Receiving a second caution
- B. If the game is stopped to eject the player, no other Laws having been violated, an indirect free kick (IFK) shall be awarded to the opposing team from the point of the offense, subject to the overriding conditions of **LAW XIII (13)**.

NOTES:

- 1) While caution and ejection rules also apply to substitutes and coaches, it is recommended play not be stopped merely to administer such caution or ejection. If play is stopped specifically to administer such caution or ejection, play is to be restarted with an indirect free kick (IFK) at the place where the ball was at the time of the stoppage.
- 2) Any player or substitute, whether they are within or outside the field-of-play, whose conduct is unsporting or violent, whether or not it is directed towards an opponent, teammate, the Referee, an Assistant Referee or other person, or who uses offensive, insulting, or abusive language, shall be dealt with according to the nature of the offense committed.
- 3) If, when a Referee is about to caution a player or substitute, and before the Referee has done so, the player commits another offense that also merits a caution, the player or substitute shall be ejected.

LAW XIII (13) - FREE KICK

1. Free kicks are to be awarded to the opposing team of a player, substitute, sent-off player, or team official who is guilty of committing an offense.
2. There are two types of free kicks:
 - A. **Direct free kick (DFK)**: from which a goal can be scored without being touched by another player, of either team, against the opposing team only
 - B. **Indirect free kick (IFK)**: from which a goal cannot be scored unless the ball has been touched by any other player, of either team, before it enters the goal

In the 8U/Passers division all free kicks will be indirect free kicks (IFK).

3. All free kicks are taken from the place where the offense occurred, except:
 - A. Any free kick awarded to a team **inside its own Goal Area** shall be taken from a point anywhere within the Goal Area in which the offense occurred
 - B. Any indirect free kick (IFK) awarded to a team **within their opponent's Goal Area** shall be taken from the part of the Goal Area line which runs parallel to the Goal Line, at the point nearest to where the offense was committed
 - C. Any free kick offenses that occur **off the field-of-play** (See Section 9 below and Law XIV (14), Section 10)
 - D. Any free kick offense involving a **player entering or leaving the field-of-play** without permission are taken from positions of the ball when play was stopped
4. On all free kicks:
 - A. The ball must be stationary when the free kick is taken
 - B. **The ball is in play when it is kicked and clearly moves**
5. When a free kick is being taken by the kicking team **outside their own Penalty Area**:
 - A. The ball may be kicked in any direction
 - B. Players of the opposing team:
 - 1) **Should be** at least the following distance (in all directions) from the ball until it has been kicked:
 - a) 8U/Passers thru 12U/Strikers - eight (8) yards
 - b) 14U/Kickers thru 19U/Seniors - ten (10) yards
 - 2) **Must be** at least the following distance from the ball until it has been kicked; if requested by either the kicker and/or the Referee (in which case a second whistle should be used to restart play):
 - a) 8U/Passers thru 12U/Strikers – eight (8) yards
 - b) 14U/Kickers thru 19U/Seniors – ten (10) yards
 - C. The defending players may stand on the Goal Line and between the goal posts (only) in the case where an indirect free kick (IFK) is being taken on or outside the opponent's Goal Area, but within less than the following distance from the opponent's goal:
 - 1) 8U/Passers thru 12U/Strikers – eight (8) yards
 - 2) 14U/Kickers thru 19U/Seniors - ten (10) yards
 - D. **In addition, in the 8U/Passers and 10U/Wings divisions, when any free kick is being taken by the kicking team from within their own Build-Out Area, players of the opposing team should move and remain outside the Build-Out Area, as well as being eight (8) yards from the ball (See Law VIII {8}).**
6. When a free kick is being taken by the kicking team from **inside its own Penalty Area**:
 - A. **The ball shall be in play when the ball is kicked and clearly moves**
 - B. In 12U/Strikers thru 19U/Seniors divisions all of the opposing players should move and remain outside the Penalty Area **and** be at least the following distance from the ball until is in play:
 - 1) 12U/Strikers - eight (8) yards
 - 2) 14U/Kickers thru 19U/Seniors – ten (10) yards
 - C. **A free kick is to be retaken, if an opponent is either in the Penalty Area (Build-Out Area) or enters the Penalty Area (Build-Out Area) and touches or challenges for the ball before the ball is in play.**
 - D. **In 8U/Passers and 10U/Wings divisions, all of the opposing players should move and remain outside the Build-Out Area until the ball is in play (See LAW VIII {8}).**

7. If players of the opposing team encroach within the minimum distance from the ball noted above (Section 5 and/or 6), the Referee may delay the taking of the free kick until the required distance is met. Encroachment should be considered as unsporting behavior. (**Exception: 8U/Passers Division**).
8. Once the ball is in play, the kicker may not play (touch) the ball again until it has been touched by another player.
 - A. **PUNISHMENT:** For playing the ball twice in succession, an indirect free kick (IFK) is awarded to the opposing team at the point where it was touched the second time.
9. **OFF THE FIELD OFFENSES**
 - A. If, when the ball is in play, a player commits any free kick offense against a match official, an opposing player, substitute, sent-off-player, or team official outside the field-of-play, the restart shall be a free kick taken on the boundary line (Goal Line or Touchline) nearest to where the offense occurred. (**Exception: See LAW XIV {14}, Section 10**)
 - B. If, when the ball is in play, a substitute, sent-off player, or team official commits an offense against or interferes with an opposing player or match official outside the field-of-play, the restart shall be a free kick taken on the boundary line (Goal Line or Touchline) nearest to where the offense occurred. (**Exception: See LAW XIV {14}, Section 10**)

NOTES:

- 1) To indicate an indirect free kick (IFK), the Referee(s) shall raise an arm straight up above their head. The Referee(s) shall keep their arm raised until the ball has been played or touched by another player or leaves the field-of-play.
- 2) If the Referee(s) does not raise an arm to signal the IFK and the ball is kicked directly into the goal, the IFK is to be retaken because of the Referee's mistake.
- 3) When any free kick is being taken, players of the opposing team, who do not retire to the proper distance, or attempt to delay the taking of a free kick by encroaching, dancing about, or waving their arms in a way calculated to distract their opponents, shall be cautioned for unsporting behavior.

LAW XIV (14) - PENALTY KICK

1. There shall be no penalty kicks in the 8U/Passers division
2. A penalty kick is awarded if a player commits a direct kick offense inside their own Penalty Area or off the field-of-play within the boundaries of their Penalty Area (**See Law XIV {14}, Section 10**)
3. A penalty kick shall be taken from the Penalty Mark and the kicker must be clearly identified
4. When the penalty kick is taken, all players (other than the player taking the penalty kick and the opposing goalkeeper) shall be:
 - A. Within the field of play,
 - B. Outside the Penalty Area, and
 - C. Outside the Penalty Arc, and
 - D. Further from the Goal Line than the Penalty Mark, and
 - E. Must remain there until the ball is kicked into play
5. The goalkeeper (who may be changed with another player on the field for the taking of the penalty kick):
 - A. Must remain on the Goal Line, between the goalposts, and may move along the Goal Line prior to the kick, but shall not come off the Goal Line until the ball has been kicked, and
 - B. Must have at least part of one foot touching the Goal Line (or, if jumping, in line with the Goal Line) at the time the ball is kicked, and
 - C. Is permitted to move their body or arms – but not in an unsporting attempt to distract the kicker

6. The ball:
 - A. Must be stationary on the Penalty Mark and kicked in a forward direction
 - B. Is in play immediately after it has been kicked and clearly moves, and
 - C. May not be touched a second time by the kicker until touched by another player
7. A goal may be scored DIRECT (first touch) from a penalty kick
8. When a penalty kick is being taken, a goal shall not be nullified if, before passing between the posts and under the crossbar the ball touches either or both goal posts, the crossbar, or the goalkeeper, or any combination of these, providing no other violation has occurred
9. **PUNISHMENT:**
 - A. For any **violation** of this Law by the **defending team**:
 - 1) If a goal is scored, the goal is allowed
 - 2) If a goal is not scored, the penalty kick MUST BE retaken
 - B. For any **violation** of the Law by the **attacking team**:
 - 1) If a goal is scored, the goal is disallowed, and the penalty kick MUST BE retaken
 - 2) If a goal is not scored, play is stopped and an indirect free kick (IFK) is taken by the opposing team at the spot of the violation
 - C. If **both teams violate this Law**, the kick is retaken
 - D. If the kicker is guilty of playing the ball twice in succession, an indirect free kick (IFK) is awarded to the opposing team to be taken from the place where the infringement (second-touch) occurred, unless the offense is committed in the opponent's Goal Area, in which case the free kick shall be taken from a point anywhere within the Goal Area, and in accordance with the overriding conditions of **LAW XIII (13)**

The following is a summary of the stated provisions

RESULT OF PENALTY KICK	NO VIOLATION	VIOLATION: ATTACKING TEAM ONLY	VIOLATION: DEFENDING TEAM ONLY	VIOLATION BY BOTH TEAMS

** Only if teammate of kicker is guilty of encroachment (entering the area before the kick is taken)

10. **EXTENDED TIME PENALTY KICKS:**

- A. When a period is extended to allow a penalty kick to be taken or retaken, the extension shall last until the moment the penalty kick has been completed, i.e. until the Referee(s) has decided whether or not a goal is scored, and the period shall end immediately after the Referee(s) has made their decision. After the player taking the penalty kick has put the ball back into play, no player other than the defending goalkeeper may play or touch the ball.

B. When a penalty kick is being taken in extended time, the kicker may not play the ball a second time.

- 1) The provisions of all of the foregoing paragraphs shall apply in the usual way, and
- 2) In an extended time penalty kick, the ball remains alive until its momentum is spent, it goes out of bounds, or is retouched by the kicker, even if the ball is rebounded from the goalkeeper, the crossbar, or the goal post in the process.

11. OFF THE FIELD OFFENSES

While the ball is in play, if a player commits a direct free kick (DFK) offense outside the field-of-play against a match official, an opposing player, substitute, sent-off player, or team official and the offense occurs beyond the Goal Line and within the width of that player's own Penalty Area, a penalty kick will be awarded.

NOTES:

- 1) When the Referee has awarded a penalty kick, a signal for it to be taken shall not be given until all the players have taken up position in accordance with the Law.
- 2) If, after the kick has been taken, the ball:
 - a) Is touched in its course towards the goal by an outside agent, the kick shall be retaken, unless the ball continues into the goal and the interference does not prevent a defending player from playing the ball, in which case the goal is awarded.
 - b) Rebounds into play from the goalkeeper, the crossbar, or goalpost, and is then stopped in its course by an outside agent, the Referee shall stop play and restart it with a dropped ball.
- 3) If, after having given the signal for a penalty kick to be taken and before the ball has been kicked, any of the following situations occur, the Referee shall allow the kick to proceed.
 - a) **The goalkeeper** moves **completely** (i.e. both feet) off the Goal Line. If a goal is not scored, the penalty kick shall be retaken.
 - b) **A player of the defending team** encroaches into the Penalty Area, Penalty Arc, or ahead of the ball. If a goal is not scored, the penalty kick shall be retaken.
 - c) **The player taking the kick** is guilty of feinting to kick the ball once the kicker has completed the run-up to the ball or a teammate of the identified kicker takes the kick:
 - 1) Play shall be stopped and restarted with an indirect free kick (IFK) by the opposing team at the Penalty Mark regardless of whether or not a goal is scored
 - 2) In each case, the player taking the kick should be cautioned
 - d) **The penalty kick is kicked backwards.** Play will be stopped and restarted with an indirect free kick (IFK) by the opposing team at the Penalty Mark.
 - e) **A teammate of the player taking the kick** encroaches into the Penalty Area, Penalty Arc, or ahead of the ball.
 - 1) If a goal is scored, the penalty kick shall be retaken.
 - 2) If a goal is not scored, an indirect free kick (IFK) shall be taken by the opposing team at the spot of the infraction.
 - f) **The goalkeeper** moves off the Goal Line, **and a teammate of the kicker** encroaches into the Penalty Area, Penalty Arc, or ahead of the ball. The penalty kick shall be retaken.
 - g) **A player(s) of each team** encroaches into the Penalty Area, Penalty Arc or ahead of the ball. The penalty kick shall be retaken.

LAW XV (15) - THROW-IN

1. When the whole of the ball has passed over the entire Touch Line, either on the ground or in the air, it shall be put in play by a throw-in. The throw-in is taken in any direction at the point where the ball left the field-of-play, by a player of the opposing team from that of the player who touched it last.
2. The thrower:
 - A. Must face the field-of-play with part of each foot either: 1) on the Touch Line or 2) on the ground outside the Touch Line and 3) part of each foot shall remain in contact with the ground at the moment the ball is released, and
 - B. Shall throw the ball with both hands (unless a physical impairment would limit use to one hand), and
 - C. Shall throw the ball from behind and over the head.
3. All opposing players must remain at least two (2) yards from the thrower until the ball is in play.
4. The ball shall be in play immediately upon any part of the ball breaking the plane of the field-of-play (i.e. the outside edge of the Touch Line) after having been released by the thrower. The thrower may not touch the ball again until it has been touched by another player
5. A goal may not be scored directly from a throw-in
6. The **Offside LAW XI (11)** does not apply at the taking of a throw-in
7. **PUNISHMENT:**
 - A. For an improper throw-in, the restart shall be a throw-in by the opposing team. The same shall be true if the throw-in is not taken at the point where the ball went out of play.
 - B. For touching the ball, a second time, an indirect free kick (IFK) shall be taken by the opposing team. The IFK will be taken from the place where the second touch occurred.

NOTES:

- 1) If a player taking a throw-in plays the ball a second time by handling it within the field-of-play before it has been touched or played by another player, a simultaneous foul has been committed, i.e. a second touch of the ball (IFK) and handling (DFK). The referee shall award a DFK.
- 2) If, when a throw-in is being taken, any of the opposing players dance about or wave their hands in a way calculated to distract or impede the thrower, it shall be deemed unsporting behavior, for which the offender(s) should be cautioned. **Exception: 8U/Passers division.**
- 3) If the ball does not enter the field or hits the ground before entering the field, the throw-in is to be retaken.
- 4) **In an 8U/Passers division games when an improper throw-in is taken, the Referee should stop play, explain the proper procedure to the player and allow the throw-in to be retaken.**

LAW XVI (16) - GOAL KICK

1. When the ball passes completely over the defending team's Goal Line, and was last touched by an attacking player, and a goal was not scored, it shall be put into play by a kick taken:
 - A. By a player of the defending team
 - B. From a point anywhere within the Goal Area
2. The **Offside Law XI (11)** does not apply at the taking of a goal kick.
3. The ball shall be stationary and is in play when it is kicked and **clearly moves**.
 - A. The goal kick is to be retaken, if an opponent is either in the Penalty Area (Build-Out Area) or enters the Penalty Area (Build-Out Area), and touches or challenges for the ball before the ball is in play.
 - B. If a player taking a goal kick touches the ball after it has been kicked, but before it is touched by another player, an indirect free kick (IFK) shall be awarded to the opposing team. The IFK will be taken from the place where the second touch occurred.
4. A goal may be scored DIRECT (first touch) from a goal-kick, but only against the opposing team.
5. Players of the opposing team shall remain outside the Penalty Area, until the ball **has been kicked and clearly moves**.

Exception: In the 8U/Passers and 10U/Wings divisions all opposing players must remain outside the Build-Out Area, until the ball **has been kicked and clearly moves** [See Law VIII (8)].

LAW XVII (17) - CORNER KICK

1. When the ball passes completely over the defending team's entire Goal Line, and was last touched by a defending player, and a goal was not scored, it shall be put into play by a kick taken:
 - A. By a player of the attacking team
 - B. From the corner of the field nearest to where the ball crossed the Goal Line
2. The ball must be placed in the Corner Area.
3. A properly positioned corner flag may not be moved by a player for the taking of the corner kick.
4. The **Offside LAW XI (11)** does not apply at the taking of a corner kick.
5. The ball must be stationary and is in play when it is kicked and clearly moves.
6. A goal may be scored DIRECT (first touch) from a corner kick.

 - B. Ten (10) yards for 14U/Kickers, 16U/Minors, and 19U/Seniors
8. If the player taking the corner kick touches the ball a second time before it has been touched by another player an indirect free kick (IFK) shall be awarded to the opposing team. The IFK will be taken from the place where the second touch occurred.

Offside Diagram 1

Pass to a Teammate

A1 passes the ball to teammate A2.

A2 is offside because of being ahead of D1 and is nearer to the opponent's Goal Line than at least two opponents at the moment the ball was played by A1.

Offside Diagram 2

Pass to a Teammate

A1 plays the ball forward to teammate A2 who is even with the second to last defender D2.

A2 is not offside since, at the moment A1 played the ball, A2 was not nearer to the opponent's Goal Line than at least two opponents, i.e. D2 and the goalkeeper.

Offside Diagram 3

Pass to a Teammate

A1 plays the ball forward to teammate A2, who is even with the second to last defender.

A2 is not offside since, at the moment A1 played the ball, A2 was not nearer the opponent's Goal Line than at least two opponents.

Teammate A3, lying injured outside the Penalty Area, is in an offside position but would not be penalized, since A3 is not involved in active play.

Offside Diagram 4

Pass to a Teammate

A1 plays the ball to teammate A2, who is even with the last two defenders, i.e. D2 and the goalkeeper.

A2 is not offside since, at the moment A1 played the ball, A2 was not nearer the opponent's Goal Line than at least two opponents.

Offside Diagram 5

Pass to a Teammate

A1 crosses the ball forward from outside the Penalty Area.

A2 runs from position (1) and collects the ball as it lands at position (2).

A2 is offside since, at the moment A1 played the ball, A2 was nearer to the defender's Goal Line than at least two opponents and gained an advantage by being in active play.

Offside Diagram 6

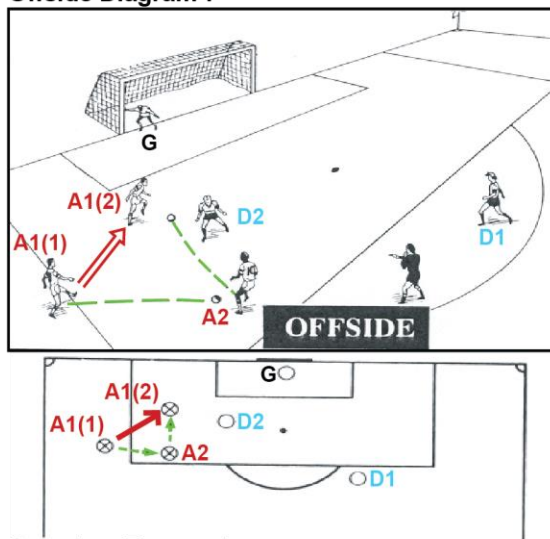

Pass to a Teammate

A1 passes the ball to teammate A2 who runs from position (1) to position (2) to play it.

A2 is not offside because at the moment A1 played the ball, A2 was not in an offside position, since A2 was not in front of the ball and was not nearer to the opponents' Goal Line than at least two opponents.

Offside Diagram 7

Pass to a Teammate

A1 plays the ball to teammate A2 from position (1) and runs forward to receive the return pass. A2 then plays the ball to A1 who is now in position (2).

A1 is offside since at the moment the ball was played forward to A1 by A2, A1 was nearer the opponent's goal than at least two of the opponents and gained an advantage by being in active play.

Offside Diagram 8

Interfering with an Opponent

A1 shoots for goal and the ball enters the net.

Teammate A2 is standing in front of the goalkeeper.

The goal would not be allowed since A2, who is in an offside position, is involved in active play and is interfering with an opponent, i.e. the goalkeeper.

Offside Diagram 9

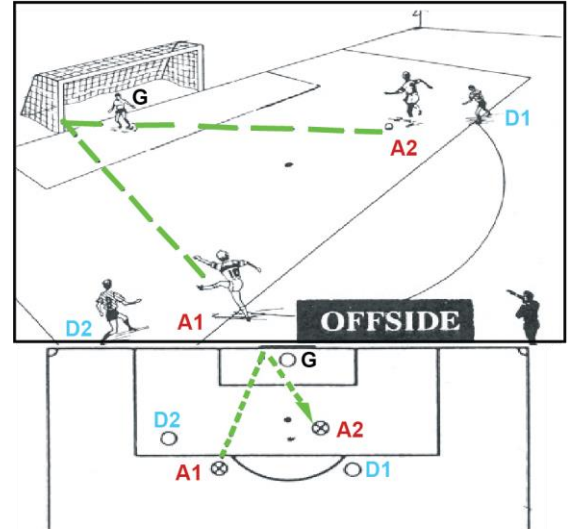

Shot at Goal

A1 shoots for goal and scores.

Although teammate A2 is in an offside position, A2 is not involved in active play and the goal would be allowed.

Offside Diagram 10

Ball Rebounding from Goal Posts or Crossbar

A1 shoots for goal and the ball rebounds from the post to teammate A2, who kicks the ball into the goal.

The goal is disallowed since A2, who was in an offside position when the ball was last played by A1, was in active play and gained an advantage by being in that position.

Offside Diagram 11

Shot Rebounds from Goalkeeper

A1 shoots the ball at the goal and the ball rebounds from the goalkeeper to teammate A2.

The goal is disallowed since A2, who was in an offside position when the ball was last played by A1, was in active play and gained an advantage by being in that position.

Offside Diagram 12

Ball Rebounding from Goal Posts or Crossbar

A1 shoots for goal and the ball rebounds from the post to teammate A2 who kicks the ball into the goal.

The goal is disallowed since A2, who was in an offside position when the ball was last played by A1, was in active play and gained an advantage by being in that position.

Offside Diagram 13

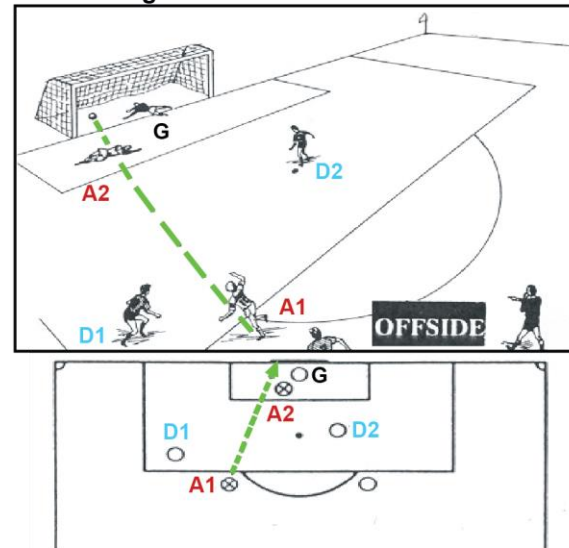

Not Interfering with an Opponent

A1 shoots for goal and scores.

Although teammate A2 is lying injured in an offside position, A2 is not involved in active play.

The goal would be allowed.

Offside Diagram 14

Interfering with an Opponent

A1 shoots for goal and the ball enters the goal.

Teammate A2, who is lying injured in the Goal Area and in the path of the ball, would be penalized for offside. A2's presence, however accidental, causes A2 to be involved in the active play because of interference with an opponent.

Offside Diagram 15

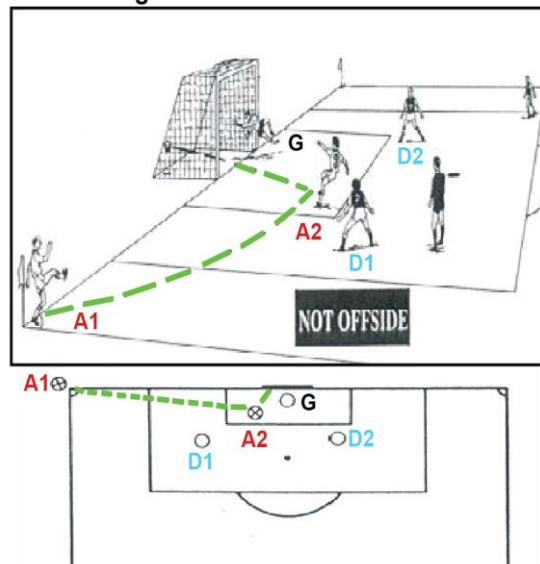

Corner Kick

A1 takes a corner kick and the ball goes to teammate A2.

A2 shoots for goal and the ball is touched by teammate A3 and enters the goal. The goal is not allowed, since A3 was in front of the ball and there were not at least two opponents between A3 and the Goal Line when it was last played by teammate A2. Player A3 did not receive the ball directly from A1, the corner kicker.

Offside Diagram 16

Corner Kick

A1 takes a corner kick and the ball goes to teammate A2, who shoots for goal and scores.

Although A2 has only one opponent closer to the Goal Line, the goal is allowed since a player cannot be offside if the ball is received directly from a corner kick.

Offside Diagram 17

A1 throws the ball to teammate **A2** who shoots and scores. The goal is allowed.

Although **A2** is in front of the ball and there is only one opponent between **A2** and the Goal Line, **A2** is not offside because a player cannot be offside if receiving the ball direct from a throw-in.

Offside Diagram 18

A2 plays the ball ahead of **A1**, who runs from position (1) in **A1**'s own half of the field to position (2) in opponent's half of the field.

Although there are not at least two opponents nearer their own Goal Line at the moment when **A2** played the ball, **A1** is not offside since a player cannot be in an offside position when in their own half of the field-of-play.

APPENDIX E - 6U/INSTRUCTIONAL GUIDELINES

Many SAYAreas have extended their services by offering soccer to four, and five-year old's. The objectives are to have fun, learn some soccer basic skills, and receive an introduction to team play. However, the competitive aspects are minimized; games are simple scrimmages, with sides chosen at random at game time. There are no formally rostered teams or fixed schedules of games, and no standings are kept.

Some SAYAreas set up their own program structures. The following are some guidelines, as proposed by the U.S. Soccer's Player Development Initiatives, and as derived from successful programs.

The Field:

The field should be about 25-35 yards long and 15-25 yards wide (Diagram A). The goals are to be a maximum of 4-ft. high and 6-ft. wide and must be securely anchored.

DIAGRAM A

The Ball:

- A size 3 ball should be used.

The Players:

- Play should be (4v4) with up to four (4) substitutes and no goalkeepers.
- Substitutions are unlimited and may occur at any time.
- All players should play approximately an equal amount of time.

Equipment:

- Teams should wear different colored shirts.
- Shin guards covered with socks are required.
- Cleats or running shoes may be worn.

Referee:

- Registered and certified Referees are not needed at this level.
- A coach from each team should be on the field to instruct the players and enforce the rules.

Duration of Game:

- There should be four (4) quarters of eight (8) minutes each with 5-minute breaks between quarters.

Kick-Off:

- All players must be on their own half of field with the ball placed at the midpoint of the Halfway Line.
- Ball may be kicked in any direction.

Ball Out of Play:

- When the ball completely leaves the field-of-play either on the ground or in the air, restart by opponents of player who last touched the ball.

Restarts:

- All restarts are indirect, i.e. two touches required for a goal to be allowed.
- Opponents to be at least 10-ft. away from the ball.
- For a ball over the Touch Line:
 - Free kick taken from one (1) yard inside the Touch Line.
- For a ball over the Goal Line:
 - Corner kick taken from the corner of the field, or
 - Goal kick taken from any point in the vicinity of the goal.
- Ball is in play when it is kicked and clearly moves.
- Player taking the kick may not touch the ball again until it has touched another player (restart is free kick to opponents).

Offside:

- The offside rule does not apply in these games.

Fouls and Misconduct:

- All fouls should result in a free kick, after the nature of the foul has been explained to the player.
- All free kicks to be indirect taken at the spot of the offense.
- There will be no cautions, ejections, or penalty kicks.
