

Pro-Tips: Securing Qualifying Documentation

Log into your child's Medicaid, SNAP, or WIC online account/app and take a screenshot or picture of your child's current enrollment.

Use your child's current enrollment document or letter.

Reach out to your local SNAP, WIC, or Medicaid provider to request an active enrollment document for your child.

Always ensure your child's qualification document, letter, screenshot or picture includes:

- the child's name
- eligibility dates within past 12 months

"The application process is way faster than I thought it would be. You just have to enter basic information and the debit card works great. So many parents are looking for financial assistance, and once they understand how easy it is to sign in to SNAP or Medicaid to get the proper documentation, the rest is easy."
