

Toro Soccer Academy Financial Aid Application

One of the many goals of TSA is to provide high quality soccer training to any child that has the desire and ability to play soccer, regardless of their financial situation. Keeping with this we do offer scholarships to individual players in our competitive and academy programs.

Due to STYSA and UIL restrictions, financial aid awards **DO NOT** cover 100% of fees. Fees not covered by scholarship include uniforms, STYSA/WDDOA/AAYSA fees, Cup/Tournament fees, and coach travel fees.

It is the responsibility of each family receiving financial aid to reciprocate through active participation in the club and its team activities by volunteering a minimum of 10 hours (5 hours each season). Failure to adhere to these requirements can result in the forfeiture of the award for the remainder of the seasonal year and any future applications.

In order to be considered for financial aid, the players account must have a zero balance from prior season, this form must be completed in its entirety and submitted along with your last tax return.

The required information must be submitted together to Diego@torosocceracademy.com or handed in-person.

Financial aid is based on financial need, not talent based. You will be notified via email of your award and payment schedule for the year.

**** Please note, do not complete your online registration until after you have been awarded your financial aid. You will receive a specific link once you are notified of award/offer****

For any questions regarding financial aid, please contact Diego Garcia, Club DOC via email at Diego@torosocceracademy.com
