

# Sumter Soccer Club

## Volunteer Information

Sumter Soccer Club is an organization made of players and built on volunteers. As a volunteer-led organization - we are only as good as the people who donate their time. We believe in a team approach at every level: Juniors, Academy, and Select. We rely heavily on volunteers to help us provide the best possible soccer experience for the players.

As our club continues to grow and develop, it has become a challenge to get the help that is needed. As a result, Sumter SC has added a volunteer requirement for all families, regardless of the level, for the Fall 2023 - Spring 2024 season.

Families are responsible for two (2) hours per season. Parents have the option to opt out of those volunteer hours for \$25. The Club fees will include the \$25 fee, and once parents complete their volunteer hours, the fee will be refunded.

Some of the areas where Volunteers are needed:

- Field Clean Up
- Flag Crew
- Coaching
- Board of Directors
- Community Service
- Special Projects
- Spirit Wear

We would rather see more volunteers than have to collect additional fees from our families BUT we understand if you choose to opt out.

Volunteering is a fantastic way to give back and grow the love of soccer in the Sumter community. Positive change is a result of a collaborative effort from people devoting their time, energy, and skills- on or off the field.

Don't forget to check out the "Volunteer Opportunities" tab on the SSC website!
