Umpire in Chief Board Position - Ryan reached out to 4 different candidates but they are truly interested in doing the job. Still work in progress...we are looking for ideas for how best to proceed. For example...do we need to pay someone to do it?

Field Maintenance - Mowing is the biggest need April - June weekly and then more occasionally July through October. Mike Wood might be interested in the maintenance team.

Chuck Dworek will be Junior Softball League VP and Chuck Jones would end up being Majors League VP. The board all agreed.

Prioritization of things the league needs. Justin expects each group to make a prioritized list by softball and baseball.

Fundraising was discussed...a facebook live event was discussed to try to get some fundraising.

- A motion was made and passed to obtain a small games of chance license for \$125. All attendees agreed.
- Related to this we can have the blue sombrero sign up application to include a flat rate additional 'fundraiser opt out'.

Fall Field Clean-up ended up being cancelled due to poor weather. We reschedule for **Sunday November 8th at 1pm.**

Coaching - Ryan would like to get local college coaches to come to a coaching clinic for the league. We discussed many options including recording some sessions for coaches to get into and make it easier to get started.

Website items - Brian asked if we wanted to change the color scheme of the site and the group was open to anything. Do we want to use the game scheduling function that exists within the website? The group agreed to try it if it makes sense. The banners need to be updated and everyone agreed for Brian go ahead and update the banners.
