Amity AC Pool 2021 Prospective Member

Dear Prospective Member,

The Amity AC Pool has a long history in the community. We are a private membership based pool that offers a fun, family friendly place to enjoy the summer. The original pool, located on Amity Park Road, was built in 1962. The facility has been well maintained and many improvements have been made over the years.

The pool grounds consist of three swimming pools, tennis and basketball courts, changing rooms with showers, a playground and lots of green space for enjoying the summer sun. The main pool has a large swimming area for fun and play that includes two water slides and two diving boards. There is a six lane competition pool open daily for lap swimming that is also used by the Amity AC Blue Marlins Swim Team. We also have a kiddie pool where the young ones can splash and play in a safe, shallow area. The playground and tennis/basketball courts provide other great options to enjoy your time at the pool.

The pool provides a range of special activities for all ages. There are swimming lessons available. We support a league swim team. We also have game days, movie nights and other fun activities for the entire family.
