

## Canal Little League COVID-19 Case Response Protocol

Spring 2021

### Designated COVID-19 Point of Contact

- **Jim Connor** is responsible for responding to COVID-19 concerns. All coaches, staff, officials, and families should know who this person is and how to contact them. He can be reached via cell at **302-985-1023** and via e-mail at [canal\\_ll@yahoo.com](mailto:canal_ll@yahoo.com).
- Coaches, staff, umpires/officials, and families of players (as feasible) should self-report to Canal Little League if they have symptoms of COVID-19, a positive test for COVID-19, or were exposed to someone with COVID-19 within the last 14 days in accordance with health information sharing regulations for COVID-19 (e.g. see “Notify Health Officials and Close Contacts” in the **Preparing for When Someone Gets Sick** section below), and other applicable laws and regulations.

### When Someone Gets Sick

- Advise Sick Individuals of Home Isolation Criteria ○ Sick coaches, umpires/officials, or players should not return until they have met CDC’s criteria to discontinue home isolation.
- Isolate and Transport Those Who are Sick ○ Make sure that coaches, umpires/officials, players, and families know that sick individuals should not attend the youth sports activity, and that they should notify Canal Little League (e.g. **Jim Connor** (the COVID-19 point of contact) if they (league) or their child (families) become sick with COVID-19 symptoms, test positive for COVID-19, or have been exposed to someone with COVID-19 symptoms or a confirmed or suspected case.
- Immediately separate coaches, umpires/officials, and players with COVID-19 symptoms (i.e., fever, cough, shortness of breath) at any Canal Little League activity. Individuals who are sick should go home or to a healthcare facility, depending on how severe their symptoms are, and follow CDC guidance for caring for oneself and others who are sick. Individuals who have had close contact with a person who has symptoms should be separated and sent home as well and follow CDC guidance for community-related exposure (see “Notify Health Officials and Close Contacts” below). If symptoms develop, individuals and families should follow CDC guidance for caring for oneself and others who are sick.

### **Clean and Disinfect**

- Close off areas used by a sick person and do not use these areas until after cleaning and disinfecting them (for outdoor areas, this includes surfaces or shared objects in the area, if applicable).
- Wait at least 24 hours before cleaning and disinfecting. If 24 hours is not feasible, wait as long as possible. Ensure safe and correct use and storage of cleaning external icon and disinfection products, including storing them securely away from children.

### **Notify Health Officials and Close Contacts**

- In accordance with state and local privacy and confidentiality laws and regulations, Canal Little League should notify local health officials affected Coaches, umpires/officials, and families immediately of any case of COVID-19 while maintaining confidentiality in accordance with the Americans with Disabilities Act (ADA)external icon and other applicable laws and regulations.
- Work with local health officials to develop a reporting system (See document for “capturing COVID Case Information”) Canal Little league can use to notify health officials and close contacts of cases of COVID-19.
- Advise those who have had close contact with a person diagnosed with COVID-19 to stay home and self-monitor for symptoms, and to follow CDC guidance if symptoms develop.
