***In House 8U** is a clinic based program designed for 6-8 year olds. Teams will play 2x/week (TBD). Play will consist of mostly practice, but teams will also have the opportunity to scrimmage other LANCO Youth Softball teams with a fall 8U program.*

***Travel Teams** will play competitive softball against teams in the LANCO Youth Softball League. Teams will have weekend doubleheaders played either Saturday or Sunday with one to two weekday practices - TBD. We have no control over the game schedule as it is produced by the league. Travel teams should not be confused with weekend tournament teams.*

**The number of Travel teams and roster placement will be determined by the number of registrants. The team coach will announce team assignments and practice dates. Rosters over 11 per team may have split squad play for weekend doubleheaders.*

Fall softball season starts at the beginning of September and ends mid-to-late October. There are no playoffs after the regular fall ball season ends.

Uniforms will consist of a MTBSA supplied team shirt and socks. Players will be required to supply their own grey pants.

Players and parents will be required to review and sign the "code of conduct" commitment, Medical and COVID release forms.
