Re: Player _____

To Whom It May Concern,

Pico Rivera Pony Baseball has officially commenced its 2026 Spring Baseball Season, which will run through the end of May 2026. We are kindly requesting the support of afterschool programs to accommodate our young athletes who participate in our Youth Baseball Program by occasionally allowing them to be released early.

Our league hosts practices and games on multiple days throughout the week, typically between 5:00 PM and 9:00 PM. Player participation during these times is essential for their development and the success of the program.

We greatly appreciate your understanding and cooperation in helping these young athletes succeed both on and off the field.

Thank you for your time and consideration.
