****Banner production for levels of "Super Single" and above is the sole responsibility of sponsors. Banners must be vinyl and 5' x 3'. While you may use a vendor of your choice, we have negotiated a special rate of \$54.99 with Joanne at Banners USA (www.bannersusa.com) as they have been a long time HVLL supporter. Once received, the banner(s) will be immediately displayed at the fields by league representatives. ****

Larger sponsorship packages are available, including banners located on the inside of the playing fields, score board/booth naming, or exclusive event sponsorship opportunities (Opening Day and Field Maintenance). For more information, please contact our League President, Tim Stone at (714) 401-7688 or tstonecfa@gmail.com.
