

Building Better Citizens Through Baseball Sponsorships - 2021

Dear Friend,

Baseball season is right around the corner and as a respected member of our community; we wanted to introduce you to Huntington Valley Little League (HVLL). Chartered under the umbrella of Little League International, Inc., and Little League District 62 of Southern California, we share a mission "to promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League Baseball."

Established in 1968, we are extremely proud to have provided a safe, instructional and fun environment for boys and girls, ages 4-14 for the past five decades and look forward to many more years to come. In addition to our love of baseball, HVLL firmly believes that Little League® is much more than teaching kids the fundamentals of the game. It also provides a valuable framework for teaching a host of life skills including team work, sportsmanship, how to respond to failure, how to win graciously – and perhaps most importantly – how to grow up to be responsible and thoughtful adults in their community.

Needless to say, league partnerships and financial sponsorships go a long way to help the more than 1,000 kids that participate in HVLL activities each year. In addition to helping keep our fees at an affordable level for our players, monetary donations allow us to provide all necessary equipment needed to run this program, maintain our facilities, and provide scholarships to families who cannot afford the expense. No child is ever turned away from Little League because they are not able to pay.

HVLL is a non-profit charitable organization and operates as an all-volunteer program. As such, we rely on the support of our network of families, local businesses, corporate and community sponsors to assist with our efforts. *And because HVLL is a registered 501(c)(3) educational organization, under the tax ID number 95-2675703, all donations are tax-deductible!*

There are many types of sponsorship packages available. We trust you'll agree that providing a program for today's youth is an investment in everyone's future! Thank you in advance for your consideration.

With appreciation,
