# Parents Meeting

2025 Season  
July 22, 2025

# Our Story

*Founded in 2009, our organization is now 16 years strong and continuing to have an impact on our communities.*

*The original founders were a husband and wife duo who took on a grassroots effort to build the organization from scratch, at times having to self fund expansion, they gradually gained increasing support from the community.*

*Once their children were through the program, they handed the reigns to our second regime of leadership who established financial stability, improved overall program structure and quality of equipment, and blazed a trail with the Catholic War Veterans (CWV) to begin the journey of establishing our home field.*

*They eventually transitioned the program to a third and now fourth leadership structure, built a sustainable board of directors that is 15 volunteers strong, driven over 50% growth of participation over the last three years, and is building a strategy for continued evolution for the future.*

# Budget Overview

Equipment	Cost
Helmet	\$275
Shoulder Pads	\$90
Game Pants	\$55
Practice Jersey	\$15
Total	\$435

- Current Operational Budget per year – \$45K - \$50K
- This has increased resulting from our new home field, new requirements and equipment
- Cost per player is approximately \$435 in equipment for football, and Cheer is approximately \$100 for uniform alone
- Jersey and Cheer Uniform are a “pass through cost”, and is each player/ cheerleaders to keep...typically lasts multiple seasons
- We focus on safety, only Top Rated safety rated equipment used...results in increased cost
- We spend \$3K-\$6K on reconditioning helmets each year for safety...follow regulations closely
- Helmets are only good for 10 years, then will be replaced to ensure safety
- Insurance is covered by the league fees for our players and cheerleaders, but insurance is required for equipment and facilities
- We also sponsor any children who want to participate but may need financial assistance
- Field and facilities maintenance will continue to be a focus to ensure we have a safe, clean, and high-quality environment for your children to participate in our program

Fall 2025 Season

Dear Friend,

My name is Greg Bush, and I am the President of the Freeburg Jr. Midgets Football and Cheerleading Organization. We are a non-profit organization founded in 2009 serving the Freeburg, Smithton, New Athens, St. Libory and surrounding communities with a mission of providing safe and quality youth football and cheer programs. We are a small organization; however, our efforts allow over 200 kids each year to learn the great game of football and cheer in a competitive format with the right safety precautions and equipment to ensure their well-being. We have volunteer board of directors that operates and steers the organization, and much of our success is made possible by volunteers and sponsors in the communities we serve.

On behalf of the Freeburg Jr. Midgets Football and Cheer Organization, I would like to extend an invitation to you, your family and/or company to become a sponsor and help us continue to provide these programs. Our objective has always been to help our athletes develop a sense of fair play, sportsmanship, leadership, community service, and team effort. Being a sponsor of our organization provides an opportunity to partner with us on this journey,

Your sponsorship dollars will help us provide the safest equipment, operate our program, and provide scholarships for the less fortunate so they can also participate in football and cheerleading. As always, 100% of your donation benefits the children of the Jr. Midgets. We are recognized as an IRS 501(c)(3) organization, so your sponsorship will be tax deductible.

If becoming a sponsor for the Freeburg Jr. Midgets Football and Cheer organization is an option for you, your family and your company, our sponsorship agreement (included with this letter) provides additional details on the various levels of support available. You can also visit our Facebook page and website [www.freeburgjrmidgets.com](http://www.freeburgjrmidgets.com) to read more about our program. If you prefer, we welcome the opportunity to meet with you and answer any questions you may have.

We greatly appreciate your time and consideration and would like to thank you in advance for any support you can provide. If you have questions or need further information, please contact me at [freeburgjrmidgets@gmail.com](mailto:freeburgjrmidgets@gmail.com) or 701-213-3311.

Best Regards,

Greg Bush

# Football - Frequently Asked Questions

- **Games will start the weekend after Labor Day**, and regular season runs through the last weekend in October...**Playoffs are the first two weekends in November**
- **Games could be on Saturday or Sunday, older levels will play on Sunday**
- Games and practices will be at the CWV, working with the High School to still have that as an option in case there are issues
- While there is flexibility, attendance at practice is expected...there is a lot to learn, and it is difficult (and not safe) if you aren't there...occasional absences are understood, and should be coordinated with the coach
- We will work with you if your child is playing another sport (e.g. school sports), please coordinate with your coach...Attendance is expected after the school event if possible

# Football - Frequently Asked Questions

- When at practice or the games, please remember you are representing our organization, and show respect to coaches, officials, volunteers, other players, and facilities
- We follow the League By-Laws for playing time. Each player is required 8 plays minimum. We focus on competitive football while teaching fundamentals.
- We have a process for documenting any incidents, all will be reviewed by the board and appropriate action taken...if you have concerns, please work with your head coach, if you have concerns with the coach, contact myself or Jeremy (Athletic Director)
- We encourage the "24 Hour Rule"...if you are frustrated, let things cool down and reach out the next day
- Birth Certificates need to be turned in as early as possible, it is required for your child to play. They are required prior to Aug 24th
- Please let the coaches coach, as "sideline coaches" can be a distraction for our players...if you have concerns or suggestions, please discuss with the HC
- ABSOLUTELY No animals allowed at the facilities except for registered (with documentation) service animals

# Cheer Updates

- Our Goal: Instill in each cheerleader the confidence that they can accomplish incredible goals with hard work! We will encourage them to be consistent, work as a team, be confident, and be leaders!

- Camp was July 20th, and thanks to all of you who donated to the fan club shirts, we were able to make Camp a very memorable experience for our cheerleaders this year!
