 - House all-star tournaments are becoming less popular than in the past, however, it is still very much alive at 8U & 10U. At 12U, many girls start to commit to full-time travel.
 - All-star travel team will be a joint effort with AHYAA and report through KR Travel
 - AH has a strong house all star program and has invited Mark Kaiser's team from last year to play. The softball executive staff needs to work closely with AHYAA staff to ensure PHWYBS teams are invited/included in house all-star programs as there is still an interest from girls in PHWYBS to play
