VOLUNTEER BACKGROUND CHECK

To provide a safe and protective environment for all players PDYSA along with Pony Baseball & Softball is using the JDP database to complete background checks on league volunteers. This database identifies adults who are registered sex offenders and those that have been convicted of felony offenses.

Because you have volunteered to help your team at games & practices, you are subject to a background check utilizing: ID Search (Social Security Validation), JDP National Criminal Search, National Sex Offender Search. Thank you for your cooperation in increasing the league's ability to protect our children's well being.
