

Quartz Hill Little League (QHLL) 2026 Spring Season COVID-19 Waiver

I understand that the LA County Department of Public Health (LACDPH) has established a Protocol for Organized Youth Sports as Appendix S of the Health Office Order, which was revised on January 3, 2022. Although covid restrictions have been lifted we acknowledge that similar guidelines may be enforced at any time and i will not hold QHLL, including its volunteers and board of directors collectively or individually liable for any issues that may arise from such situations.

I understand that this order sets certain standards for participants in certain organized youth sports to limit exposure to transmission of COVID-19, including testing of unvaccinated individuals 12 years of age and older.

I understand that this protocol may be revised by the LACDPH from time to time and QHLL will make efforts to adapt to the new protocol when appropriate.

I understand that QHLL will make efforts to review COVID-19 testing results for adult volunteers and players 12 years of age and older.

I understand that QHLL will make efforts to review COVID-19 vaccination status for adult volunteers and players 12 years of age and older.

I understand that QHLL volunteers (including Board of Directors) are not medical professionals trained in confirming valid COVID-19 test results or vaccination records.

I understand that QHLL is not required to maintain proof of vaccination nor copies of test results.

I understand that QHLL will rely on volunteers' and players' families to self-screen for COVID-19 symptoms prior to attending youth sports activities.

I understand that my player may be required to quarantine and/or be isolated from team activities if they are experiencing symptoms of COVID-19.

I understand that my player may be required to quarantine and/or be isolated from team activities if they are determined to be a close contact as defined in the LACDPH Exposure Management Plan for Youth Sports.

I understand that if my player is quarantined and/or isolated from team activities, including games, that no refunds will be given as a result.

I understand the transmission risks of COVID-19 within youth sports, and I agree to inherit these risks by registering my player as a participant in QHLL. I further agree not to hold QHLL, its Board of Directors (collectively or individually), or its volunteers liable if my player contracts COVID-19 at any and all activities my player attends. I agree that no refunds will be granted for any medical stoppages, pandemics, sickness, quarantines, etc., once teams have been formed. Refunds will only be granted on a decision voted on by the QHLL Board of directors and shall be in accordance with current bylaws and once jerseys and hats are ordered ~~only a partial amount shall be granted.~~_____
