

SVLA 2021 Youth/MS Lacrosse Fall Ball

Player Development Program (“PDP”):

- WHO:
 - This program is for returning youth and middle school players and will focus on developing lacrosse skill and IQ.
- WHAT:
 - We will be doing two sessions per week. The weekday session will focus on skill building and the weekend sessions will primarily be in-house style games/scrimmages. In addition to this we are working on trying to coordinate a couple scrimmages/games against local associations. Scrimmage/game information to be provided once finalized.
 - We will be trying to schedule one lacrosse tournament for Fall 2021 on November 6 or 7, 2021. It would be an additional cost to participate, and will only occur if we have enough interested players. If we have enough interested players, the cost would be approximately \$60 or less per player to participate. Payment will be collected at a later date. Please indicate on the form if you would be interested in participating.
 - Players must have a current US Lacrosse number and all lacrosse equipment/pads (helmet, shoulder pads, arm pads, gloves, stick, mouthpiece, cleats, and athletic cup).
