Outfielders may not tag out any base runner nor touch any base to make a force out.
3. **Throwing the ball:** Defensive players may not "roll" or "bowl" the ball to another defensive player in an attempt to put-out a runner or batter-runner in lieu of the natural and commonly accepted throwing mechanics associated with the game of baseball. An underhand toss is acceptable if tossed 10 feet or less.

Closed Base Division

The pitcher must have both feet in contact with the pitcher's plate and the catcher must be positioned safely in foul territory near the catcher's box. 2. Any ejected manager, coach, player, or spectator may neither be present for his/her team's next physically played game, including pre- and post-game activities, nor are they allowed to be in the parking lot except for dropping off/picking up players.
 - For purposes of this rule, if the next scheduled game cannot be physically played due to the inability of either team to field nine (9) players and is scored as an official game due to forfeit, it shall be considered a physically played game.
3. A manager or coach ejected from the game may not be replaced by another volunteer in the same game in which the ejection occurred.
 - Exception: one (1) adult must always remain in the dugout. If all adults have been ejected from the field of play, the game will be stopped and reviewed by the competition committee.
