Donations are tax deductible. We are a 501c3 organization FEI 20-1391381

Registration for the Spring League has now started. By mail, online, or at one of the registration dates listed below. Go to the website for detailed information. **PLEASE SIGN UP EARLY.**

Not every Saturday: We will have double headers each Saturday for ages U8 and up, and, on some Saturdays, there will be no games. We take off on both sides of Spring Break. See below for game dates.

New Players: Spring season is an ideal setting for the new player. Try it out and if you do not like it after the first week, we can refund all but an administrative/jersey fee of \$25 of your registration fees.

Game dates: Saturday 3/12, 4/2, 4/16, 4/30, and 5/14. All games will be played in Lake Wales.

Practice: No practice required but are allowed and encouraged. Many times, several coaches schedule combined practices with other teams to allow those who want more practice/play to attend.

Ages: 3 to 19 Girls and boys. All girl and all boy teams except in U4, U6 and U8 ages.

Cost: \$40 for Fall 2020 FYSA registered players

\$50 for new Non FYSA registered players (need to view a copy of the birth certificate at registration)

Rules: Small fields, small goals, no goalie, 3 on a side, add a player once 3 goals up, add another player once 4 goals up and so on until you cap at 6 players maximum. Adding players throughout the game in this manner keeps games competitive.

Teams: You can sign up as a full team for U8 and above (must have a coach) or sign up as individuals to be placed on a team.
