

Dowagiac Youth Baseball Softball Association

Dear Sponsor,

Our 2026 Spring season is just around the corner, and we are excited to welcome all of our players and families back in April! On behalf of myself and our Executive Board, I want to extend a heartfelt thank you for supporting the youth in our community. Providing a high-quality experience in a safe and positive environment for the youth of Dowagiac wouldn't be possible without your support!

The best part of sponsoring is that all proceeds will go directly towards giving the youth of the area a great season. Your contribution will help with operational costs, insurance, and allow us to keep the registration fees affordable for all players. Our league is completely volunteer-driven—including coaches, board members, and countless others—so your support truly makes a difference.

The improvements and quality of Russom Park over the last few years has been noticeable, but a few projects which we'd like to accomplish in 2026 are:

- Infield and outfield work on Field 5
- Field 3 dugouts
- Fence repair on Field 4 and Field 5
- Shed updates
- New equipment for safety for players and umpires

Dowagiac Youth Baseball and Softball Association is a 501c3 designated non-profit organization. As many businesses and families start to consider tax planning this time of year, the DYBSA Board appreciates any consideration for donations which would help us fund these capital projects. Last year, thanks to your generosity, we were able to: provide scholarships to players, update our bathrooms, update Field 5 dugouts, complete numerous painting projects, fix scoreboards on Fields 1-4, and provide more gear for our players.
