USTA Pacific Northwest

Offerings are contingent upon coaches availability. Minimum enrollments apply for some classes. If classes are canceled due to low enrollments, a full refund will be issued.

Individual sessions canceled due to rain or smoke will be made up on Fridays (partial sessions will not be made-up). Groups may be combined for make-up sessions.

If an **entire week of class (including make-up-session on Friday) has to be canceled** for rain/smoke, credits or refunds will be provided

Needs-based scholarships are available for youth programming. Qualified individuals are eligible for a 50% scholarship on most programs.

Registration will be weekly for most programs. Must be registered BEFORE participating in any program. Players 15 and older can also participate in adult programming.
