

CSLL Board Meeting
April 5, 2020

Meeting called to order at 6:09.

In Attendance: Mike Davis, Mike Leach, Kim Leach, Vince Rallo, Nick Scalabrino, Kristin Thomas, Robin Potter, Ryan Schaub, Michelle Bowe, Melissa Solevilla.

Introduction of board members.

Mike Davis:

- Rec card rosters: Mike has compiled the answers to the District questions and he is going to respond to the District.
- Sponsors: Discussion of how to handle sponsorship money. There is typically a clause in our contract with sponsors so that we don't have to refund money. There is the option of extending sponsorship money to another season.
 - Nick: Doesn't think many people will want their money back but would be a good idea to extend the sponsorship a season.
- All league emails need to be finalized and set up for Office 365. Team meetings/conferences and team text will no longer go on with text messages. We will have folders set up for all needed topics.
- Let's not exclude the possibility of a fundraiser next year. It is too early to tell.
- Continuing options-
 - Don't reopen before May 11.
 - Restart May 11 and then continue with All stars. Make up games during the season.
 - Restart May 11 and then push everything back through the summer.
 - Cancel Spring and possibly issue refunds towards Fall.
- Next meeting first Sunday in May. Moved up due to Mother's Day.

Meeting adjourned at 7:23.
