

Hello Lake Oroville Little League Community!

Our 2024 season registration has opened, and we are looking for perspective sponsors who would like to help us make this next season a hit.

Lake Oroville Little League (LOLL) was founded in 1952 that promotes good sportsmanship, self-esteem, and teamwork in our youth between the ages of four and fifteen. With the help of community sponsors, and a lot of elbow grease from our volunteers, LOLL gets these kids out on the fields and under the lights. LOLL strives to provide a positive influence in the lives of these kids and anyone who comes to watch them play.

LOLL gives our youth a positive place to exert their never-ending energy, by offering practices and games after school and on the weekends. Each child that is registered will play in every game they attend.

LOLL is one of the largest Leagues within District 47 with around 600 kids who participate in the different divisions we offer each year. These players come from all kinds of backgrounds, from all over the community. With so many kids playing within our League, we rely on the help of our community to help us make the best possible experience for our players.

We try to keep registration fees as low as possible to give as many players as possible the ability to register and play no matter what their experience level is within the game. We offer payment plans, grants, and a scholarship program to assist players with registration costs. But our player registration fees do not cover all our expenses or the improvements we want to make. That is where we rely on the help of the community in the form of sponsors and charitable donations.

Donations can include labor, tools, and materials to make improvements, or money to help us grow and provide more opportunities for the kids within the community. Sponsors fees allow for the coverage of scholarships for players, field improvements, equipment, and many other expenses that get these kids out on the fields.

Team sponsors help with general operating expenses such as uniforms, balls, bats, catcher's gear, umpires, field upkeep, and registration for players that need assistance. We also have other sponsor opportunities to keep the fun going, such as: movie night, family day, hit-a-thon, etc.

Lake Oroville Little League is a 501(c)(3) non-profit organization so you can be rest assured that all sponsorships and donations are used for the benefit of the organization. Our coaches, board members, and volunteer staff are all unpaid positions filled by fellow community members. LOLL Board of Directors is committed to working in the best interests of the players, as well as providing full fiscal transparency.

We appreciate your support of Lake Oroville Little League and the players of our community. If you have any questions or would like to help us in our efforts, please contact us at lakeorovilleltsponsorship@gmail.com

Thank You,
