Player Agents' Reports: NA

General review of season: Season went relatively well; field projects are still on the books for Aug-Nov. Board Members Present were asked for Pros and Cons of this season:

Pros: Problems with Parent/Player behavior were fewer than last season, Player morale was higher, fields and facility maintenance were done well, teamwork from those that participated was appreciated. Umpire System in play. Anytime we have kids on the field is a good time

Cons: Board Attendance for meetings and during tournaments was abysmal. Umpire system needs some work—better communication with teenage umpires specifically. Negativity amongst board members.

Open Discussion:
None

Next Meeting: Final meeting of 2025 season
