PRESIDENT'S MESSAGE

Hi Village Families!

“The grass is brand new! The cubbies and bat racks are so cool! That fence is closer! That fence is so far! Your uniforms are sick! This ice cream churro for breakfast is even better!”

I can't wait to see everyone on opening day. My one ask for the year is that us adults keep the positivity above that our children see at the fields everyday. Enjoy your time watching your children play a game that they love, at a place they feel safe, with a ton of their friends.

Always be sure to view the entire newsletter for important information about opening day!

Warm regards,
Matt Lauwers
President, Village Baseball
