

REQUEST FOR SPECIAL WAIVER

Little League International requires that all players play in the league boundary in which they live. Little League does however allow a player to request a SPECIAL WAIVER. The Charter Committee in Williamsport, Pennsylvania is the only authority that can approve a SPECIAL WAIVER. This form is intended to outline a process for a player to apply for a SPECIAL WAIVER. **Special Waivers are normally for Regular Season only.** **This form does not imply that this waiver will be approved.**
