

2017 Harney Little League Sponsorship and Donor Program

To Our Valued Sponsors & Beloved Community,

Snow may be still on the ground, but the baseball season is just around the corner! Harney Little League would like to ask for your support to become an integral part of our great program. Harney Little League, a non-profit organization, has proudly provided coaching and guidance to Rapid City's boys and girls for over 50 years. We provide baseball leagues as well as tournament and instructional opportunities for almost 450 kids (age 4-12) each year. Along with our volunteers, sponsors and donors are a crucial part of our team.

Registration fees are kept as low as possible and only cover a portion of our costs. The remaining costs are covered by donations from our wonderful sponsors and donors. Your generous sponsorship dollars provide an opportunity for children to learn the game of baseball, understand the value of teamwork, and establish childhood memories that will last a lifetime.

Fundraising helps pay for field maintenance, uniforms, baseballs and other equipment, tournaments, scholarships for those in need, and more.

In 2017, we hope to make the following improvements from donations and targeted fundraising:

- Repair the batting cage nets or purchase new nets. These outdoor cages get used almost every day during the summer and have provided a great benefit to the kids. (Est. \$1.5k)
- Remove the old wood bleachers and install new aluminum bleacher stands at the Pee Wee field. (Est. \$5k)
- Replace the roof at the maintenance shed. The maintenance shed is the building next to the batting shed and is just not keeping out enough water and needs replaced. (Est. \$4k)

On behalf of our players, coaches, volunteers, and families, the Harney Little League Board of Directors would like to thank you for your support, and we would be delighted if you are able to identify a sponsorship program that not only matches your budget but your heart as well.

Harney Little League is a 501(c)3 organization and all donations are tax deductible (EIN 46-0353008).
