Welcome to Team Swansea!

Coaches - Mike Shannon, Tony Ogden

Swansea City is the English Premier team that our favorite UK soccer coach (Mikey Hannon) supports. They are from Wales.

Practices - We will be practicing Friday nights from 6:00 to 7:30 on Field #13 at the Wyandotte Fields. Our first practice will be in two weeks - March 21st (after the big thaw)! Let me know if this is an issue for anyone and we can try to adjust or arrange carpooling, etc. Some of you know me, but for those that don't I'll try to wear a Green Glendale soccer shirt the first practice to make it easier to find me. Be sure to have your kids wear cleats and shin guards. Also bring water and a soccer ball to every practice and game.

Games - Our first game will be Sunday April 6th, last game will be June 1st (no game on Easter, but we will have a game on Mother's Day and Memorial Weekend).

Schedule - The schedule and team roster can be found on our website - glendalesoccer.org Click on the Team tab and scroll down to U13 Swansea City. I can post notes to the team and it should be accessible from smartphones. Below is a username and password if you would like to login to your player accounts and update anything including your picture. Please note the pictures are accessible on the website roster.

Snacks - I will assigned snacks to the game schedule - alphabetical. If you can't bring snack your assigned week, please contact another parent and swap. This can be brought over at halftime or end of the game.

Uniforms - Will be handed out at the practice before the first game.

We look forward to seeing you on Friday 3/21! Go Swansea!

p.s. - Please email me back to confirm that you received this email. I'll call anyone I don't hear back from. Let me know if you are good with the practice time and if email / texting communication is ok. We'll text everyone if a practice or game is canceled last minute. Most of the time, if the weather is borderline, I will go to the fields and let you decide if you want your child there. We will play in the rain, but not thunder or lightning.
