Member Teams and League Participants who fail to follow league rules and expectations may incur penalties that might limit or prohibit their ability to participate in league events. A current copy of the BCSWL By-Laws will be stored as a publicly available document on <http://www.berkswrestling.com> as a downloadable file in PDF format. No membership fees are assessed. No fines are imposed.

The BCSWL President will work with the Berks County Wrestling Officials Association (BCWOA) to schedule two paid PIAA officials to work the league matches. A minimum of one PIAA official is required to host a BCSWL match. Additional referees needed will be arranged by the host team. In which case, if an additional PIAA official cannot be obtained then the next qualified adult can be accepted with approval by the guest team(s). A payment structure

for PIAA officials will be set at the pre-season meeting. Payment for PIAA officials will be equally split between all teams competing in league matches.

5. BCSWL events will follow modified PIAA guidelines. Updates and changes to PIAA rules will be discussed at the BCSWL pre-season meeting.
6. Bout length for league matches is 1-1-1 with OT following PIAA rules.
7. Member Teams hosting league events are responsible for providing a designated location within their home district that allows sufficient parking, ample space for competitors and spectators, and use of bathroom facilities.
8. Member Teams hosting league events are responsible for obtaining mats with two coach's chairs per mat corner for each team, scorekeepers, timers, number trees, and a medical kit that contains adequate supplies to properly clean up bodily fluids (gloves, clorox wipes, body wipes, nasal tampons, and small plastic garbage bags for waste). An individual(s) from the hosting Member Team should be chosen to be responsible for the med kit.
9. School district security or community police officers are recommended, but not mandatory.
10. Only two coaches per mat for each team corner are permitted. Both coaches will be provided with a chair to sit. Parents, spectators, and additional coaches are required to stay off the mats. Additional coaches or parent volunteers are permitted to assist with participants alongside the mats but coaching corners should remain clear. This rule is to be enforced by the home team with assistance from the participating officials.
11. All league coaches, wrestlers, families, and spectators are expected to behave in a courteous manner that models the values of good citizenship. See Appendices 1 and 2. The host team and PIAA Officials have the right to have individuals removed from a league event or shut down any BCSWL event that does not follow the league's expectations for appropriate conduct as outlined in Appendices 1 and 2.

13. Wrestler match-ups will be arranged by the host team using the Member Team rosters to pair two wrestlers of similar weight, age, skill, and experience. Dissimilar pairings should be noted by the host team and left to the discretion of the opposing team's coach when:

Appendices

Appendix 1: Coaches Code of Ethics

It is the responsibility of the Member Team's Head Coach to make certain that their team is following the rules of the league and that their team participants (participating wrestlers and wrestling families) are fully aware of their own expectations as outlined in Appendix 2. It is also the function of the coach is to properly educate and prepare wrestlers to compete. BCSWL events are designed to develop a wrestler's skills and abilities in carefully conducted competitive environments where the welfare of all BCSWL participating wrestlers will be of utmost importance at all times. In recognition of these concerns, the following guidelines for all Member Team Coaches have been adopted by the Berks County Scholastic Wrestling League.

A COACH must be aware of the tremendous influence, either good or bad, in the education of the wrestler and thus, should never place the value of winning above the value of instilling the highest desirable ideals of character.

A COACH must constantly uphold the honor and dignity of what it means to COACH. In all interpersonal contact with wrestlers, referees, athletic directors, administrators, other athletic associations, the media, and the public a COACH will strive to set an example of the highest ethical and moral conduct.

A COACH will promote the BCSWL program and it's ongoing collaborations with Steel Mat Club and direct their program in concordance with the guidelines set forth in the league's by-laws.

A COACH will be thoroughly acquainted with the contest rules and is responsible for their interpretation to their team members and staff. The rules should be regarded as mutual agreements and therefore will not try to seek an advantage by circumvention of the spirit or letter of the rules.

A COACH will actively use their influence to enhance the attitude of fairness and good citizenship of their spectators by working closely with the booster clubs and administrators.

A COACH will support and show respect towards contest officials and therefore will not indulge in conduct that will incite players or spectators against the officials. Public criticism of officials, players or other coaches is unethical.

A COACH will meet and exchange friendly greetings before and after each competition with the opposing teams coaches to set a positive tone for the event and demonstrate to their wrestlers that competition is dependent upon mutual respect and cooperation.

Appendix 2: Participant Code of Conduct

In order to ensure the safety and well-being of all BCSWL participants, the league will enforce a Participant Code of Conduct. League Participants will include all participating members of league events and competitions including spectators, parents/guardians, volunteers, and coaches. The BCSWL has agreed to implement a ZERO TOLERANCE policy for all violations of this code. League Participants that violate the code of conduct may be asked to leave the premises of an event pending further action. The BCSWL President and Secretary will then review the incident and determine what disciplinary actions are necessary at that time.
