COVID-19 Updates - Masks

Based on the information shared from the Michigan Department of Health and Human Services and Kalamazoo County Health Department, the mask-wearing requirements for outdoor sports have been changed. Based upon these changes, South Portage Little League has made the following changes to our requirements:

While at any Little League facilities, all players, coaches, volunteers, spectators or other visitors are strongly encouraged to wear masks to avoid the person-to-person transmission of COVID-19. At this time, the only place where masks are required is inside enclosed buildings (restrooms and concession stand kitchen areas). Mask are NOT required on the field of play, in dugouts, or in any open-air (pavilion) eating areas.

All other previously communicated requirements and guidelines (May 2021 newsletter) are still in effect until further notice.
