

Uploading Medical Release Form to Player Info

Before you start save a copy of the Medical Release Form on a local drive. The file must be in one of the following formats – .pdf, .png, .jpeg, or .gif. Include the player’s first and last name and division in the file name, e.g. “Test-Player-U8.PDF”

Login to your account

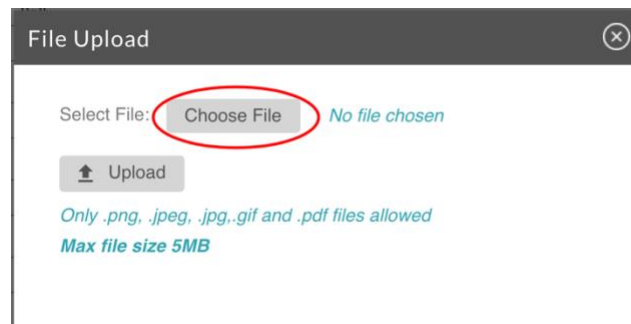

Click on the Edit Icon beside the player’s name

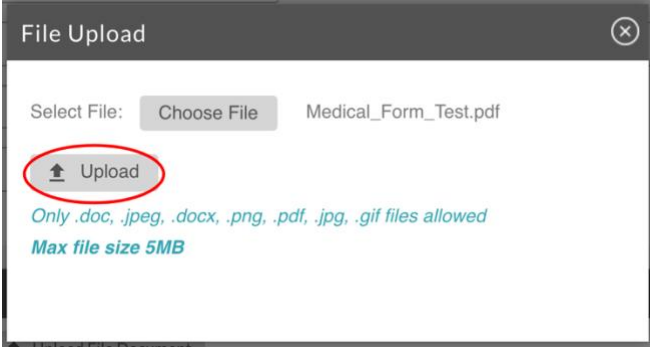

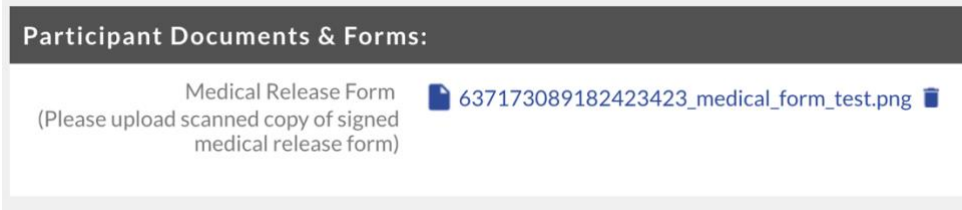

Click on the Upload File Document next to Medical Release Form under the Participant Documents and Forms heading

Click Choose File and locate form on local drive (note file types allowed)

<p>After selecting the file, click Upload</p>	
<p>If the file uploaded successfully, the file icon and name will display.</p>	
<p>Finally, scroll to bottom of page and click Update</p>
