

This policy is necessary to limit the number of changes that occur once we begin to secure coaches and determine how many teams we will have in each division. Refunds can be requested for any reason up until registration closes on (typical March 1st of each year). After that, no refunds will be issued without a valid medical reason. FNWLL reserves the right to view refund requests on a case-by-case basis when deemed appropriate. In order to receive a refund, a written request must be sent to fnwllpresident@gmail.com. Refunds do not include processing fees.

If a player decides to withdraw, a refund of the registration fees is available only up until the time of the player's first practice, less any fees that the league incurred with the original registration or via the refund process. If uniforms have already been ordered, the cost of the uniform will also be deducted from the total refund if the league is unable to cancel the order or recoup the cost once uniform orders are submitted.

If a player withdraws after the start of the first practice, the registration fee will not be refunded. At no point will any refund be given if the player or their relative has been dismissed or suspended due to unsportsmanlike behavior or not abiding by FNWLL's code of conduct. Approved refunds will be processed within 2 weeks of Board approval. To submit a refund request, please email fnwllpresident@gmail.com.
