

GLL Sponsorship Programs - 2020

Grafton Little League (GLL) is a 501 (c)(3) nonprofit organization providing T-Ball\Baseball\Softball programs to boys and girls between the ages of 5 and 18 within our area. In 2019, 430 youth played on 39 teams in 8 divisions; the players competed both locally and regionally including All-Star teams. A Challenger division is also offered for players with intellectual and/or physical challenges. The league is run entirely by volunteers and contributors; without the generosity of our sponsors and everyone involved, this program would not be available for our area youth.

One of our goals is to keep registration costs at a minimum to give every child an opportunity to participate in our programs. Sponsors, through their continuous contributions and sponsorships, provide the majority of our financial support. To help keep the costs down, the league has established the following Sponsorship programs:

Team Sponsor Program: Local businesses or organizations provide a donation for team uniforms, equipment, and other items. The team uniforms depict the sponsor's logo. Sponsor logos must have the approval of the GLL Board. Sponsors will receive a team plaque recognizing their commitment to GLL. While the donation amount does not cover all of the fees associated with fielding a team, this money goes a long way in reducing registration costs and is directly spent on fielding a team.

Banner Program: Local businesses or organizations purchase a banner from the league and provide an annual donation for the banner to be displayed at our playing fields. The banners are 3 ft. x 8 ft. in size and remain displayed throughout the entire season. The banners enhance the visual aspects of the playing field and are a great way to advertise. Banner logos must have approval of the GLL Board. Banners have a one (1) year warranty and remain the property of GLL. Money collected through this program is used on equipment, insurance and other expenses associated with our programs.

General Donations: The league is always looking for donations of any type. For example, donated items have been used to upgrade concession stand equipment, assist in field prep day and fund many of the yearly projects and everyday incidental items (baseballs, pitch counters etc.).
