

2021 Indianola Little League COVID 19 Guidelines

Effective immediately and in accordance with the CDC, local and state officials, are the following requirements:

No gum or sunflowers seeds, or spitting permitted.

- Do not enter grounds if you are not feeling well.
- Social distance whenever possible.
- Follow local and state quarantine guidelines and contact the Board of Directors if any positive test occurs.
- Coaches and players must wear masks in dugouts. Masks are not required on the field of play.
- Limit gathering in all common areas.
- Managers will sanitize dugouts after each game.
- Each team will be assigned their own game balls to be used only by them defensively during the game, the game balls will be sanitized by coaches after each half inning.
- Bleachers will be open, but masks are required to use for seating and social distancing per household family is required. If you bring your own chair and sit/stand and social distance from any crowd and avoid common areas, a mask is not required.
- Catchers equipment and any joint use batting helmets will need to be sanitized before another player uses.
