

## Newport Little League Coach Pitch Guidelines

- 1.5 hour games or 6 innings, whichever comes first
- 5 runs per inning or 3 outs, whichever occurs first
- One Coach Pitches and One Coach Catches
- After 3 swings and misses, the player hits off the batting tee (this keeps the game moving)
- Additional Coaches can be in the field, instructing the players
- Players should be playing the correct infield positions - spread any remainder out in the outfield
- Maintain a batting order

Have Fun!!!

Coach Pitch plays one game during the week and one game on Saturday.

Coaches can schedule practice during the week that suits their schedule.

You are allowed to use Marie Field (Hogan Complex), Michaud Field (Abruzzi Complex) or one of the fields listed on our website as a practice field.

You must schedule the field in advance through the website. There are directions on the website. If you need assistance, please reach out to ([info@newportlittleleague.com](mailto:info@newportlittleleague.com)).

Practices cannot be scheduled more than two weeks in advance.
