## APPLICATION TO MANAGE OR COACH

Managers and coaches are appointed by the President of CCLL, and then approved by the Board of Directors. These positions are appointed on an annual basis, and all applicants will be interviewed by a panel of Board members. The fact that an individual managed, or coached, a team in a previous season, does not guarantee that same individual a team in the upcoming season.

In order to manage in the Major Division, an individual must have at least two years official coaching experience within Chico Central Little League, or an equivalent League. In order to manage in the AAA Minor Division, an individual must have at least one year of coaching experience.
