### IMPORTANT:

Please keep in mind that your request is also a commitment. Board meetings are held at least once a month throughout the entire year. Participation is mandatory! You must hold a position on the board to join. Because the number of managers and coaches on the board must be a minority, we are always in need of regular members.

Please return this application to the league by mail, submit to any concession stand prior to the end of the regular season or you can email it to [information@silveradoll.org](mailto:information@silveradoll.org).

Also feel free to check website for the next Open Board Meeting.
