## BEHAVIOR AGREEMENT

As a player, I \_\_\_\_\_ and as a parent / guardian,  
(PLAYER NAME - PLEASE PRINT)

I \_\_\_\_\_ recognize the commitment that is included while  
(PARENT NAME - PLEASE PRINT)

participating within Central Citrus Little League programs.

- I understand that participation on a team is a privilege to be earned.
- I will always work to represent myself and CCLL in a positive manner.
- I understand that honor, integrity, and good sportsmanship are keys to my success.
- I understand that alcohol, tobacco, or drugs are harmful to my body and will limit my improvement and that of the team. As a minor, I understand that the above substances are illegal for my use under Florida law.
- I will show respect to my fellow teammates and coaches by playing hard, giving maximum effort and hustle regardless of the ability or outcome.
- I will respect the calls of play by the umpire(s) and / or coaches and will address any questions or concerns about a call of play in a respectful manner at an appropriate time.
- I will respect my fellow teammates and opposing team by showing good sportsmanship win or lose, and will not taunt other players or teams during or after games or ridicule any player for making errors.
- I will respect at all times the property of CCLL / Citrus County Parks & Recreations / Central Ridge District Park, as well as the property and equipment of the coaches and other players.
- I understand that if I do not represent myself or the program in a positive way, the CCLL Board will have the authority for suspension or removal from team involvement.

- I understand that the CCLL Board has the right to combine offenses if deemed necessary due to an infraction that requires additional discipline. For example, if a player gets ejected from a game and does not follow proper guidelines, these may be considered both a first and second offense. Each situation will be addressed accordingly.

There is a Zero Tolerance Policy for players who violate the Behavior Agreement and who intimidates, physically, verbally, or mentally abuse coaches, other players, officials, or Little League participants. Any players guilty of improper conduct at any game or practice may be asked to leave the field or premises and may be suspended from the following practice and / or game. Repeat violations may result in multiple suspension, or forfeit the privilege of participating in all Little League events for the duration of the season.

## VIOLATIONS

First Offense - Suspension from two athletic contests

Second Offense - Suspension from four contests or removal from team for that season and counseling

Third Offense - One year suspension from athletics

Fourth offense - Removal from all athletics at CCLL

All penalties will begin with the first athletic event following the violation. For example: if a player who has a violation at the end of the season, the suspension would begin or carry over to the first two athletic contests in the next season they register for.

I have read and understand the above expectations for participation in Central Citrus Little League.
