Dear Supporters,

Football season is just around the corner!! Northeast Pensacola (NEP) Wildcats would like to invite you to become part of our team for the 2023 season. The NEP Wildcats youth football and cheer program is a non-profit organization whose mission is to promote good sportsmanship, continued education, and good citizenship.

The funds from sponsorship will help us cover the cost of equipment, field maintenance, insurance and various other costs associated with our quality program. Your generous sponsorship dollars provide an opportunity for children to learn and love the game of football and cheerleading, the value of teamwork and the responsibility of belonging to a team. We, in turn, will give back to you in the form of advertising your involvement and sponsorship of our program! It is a great opportunity to show that your business cares about the community and our youth football organization.

We thank you for your interest. We hope you will consider becoming part of our Wildcat family. Our sponsors help us continue providing a quality, affordable program for the youth in our community.

Let's Go Wildcats!!
