Dear Supporters,

“For me, winning isn’t something that happens suddenly on the field when the whistle blows and the crowds roar. Winning is something that builds physically and mentally every day that you train and every night that you dream.” Emmitt Smith

Fall means football, and our players and parents are gearing up for an exciting 2026 football season. The Northeast Pensacola (NEP) Wildcats youth football and cheer program is a non-profit organization that aims to promote good sportsmanship, continued education, and good citizenship. The NEP Wildcats organization strives to provide our players with the best equipment, uniforms, and opportunities so that they may reach their full potential as athletes and teammates. The support of community partners, via sponsorships, helps to make that happen and we invite you to be a part of our Wildcat Family for the 2026 season.

The funds from sponsorships will help us cover the costs of equipment, field maintenance, insurance, and various expenses associated with our quality program. Your generous sponsorship will provide an opportunity for children to learn and love the game of football and cheerleading, the value of teamwork, and the responsibility of belonging to a team. We, in turn, will give back to you in the form of advertising and promotion of your organization! We have approximately 250 players registered yearly with over 200 families within our organization and hundreds of game-day visitors throughout the season, so this is a great marketing opportunity for your business. It is also a great opportunity to show that your business supports youth sports and the development of our youth in the community. We believe in the concept of T.E.A.M. (Together Everyone Achieves More). All kids need is support, hope, and a village that believes in them and supports them.

Thank you for your consideration in being a sponsor, helping us to continue to provide a quality, affordable program for the youth in our community. It’s great to be a Wildcat, and we invite you to enjoy fall and football with us!

Let's Go Wildcats!!
