

## **2021 MILLCREEK RIPTIDE BASEBALL**

As a very challenging 2020 baseball season comes to a close, it's time that we look ahead and start planning for the 2021 Millcreek Riptide baseball season. Next year will mark our **SEVENTH** season of providing an advanced level of training and game opportunities for the student athletes of the Millcreek Township School District. The Riptide mission is to utilize our unique resources to provide an advanced baseball experience based on community pride and team bonding. The many benefits that make the Millcreek Riptide program unique include:

**Recognized by the Millcreek Township School District as a "Tier-1 Feeder Program" for McDowell Baseball.**

**Exclusive use of indoor practice facilities for off-season winter workouts.**

**Exclusive use of Millcreek's best ball diamonds for games and practices.**

**An important component of a structured and progressive skill development path from T-ball through Millcreek American Legion and McDowell High School baseball.**

**The opportunity for kids in the Millcreek community to grow and compete "together".**

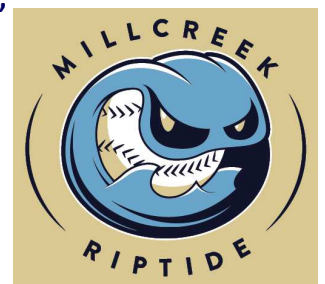

**The optional opportunity to play in the MYAA Rec. League at a discounted cost for more playing time.**

**A registration fee that is a fraction of other programs and requires a reasonable fundraising commitment.**

**A sensible and reasonable travel commitment.**

The 2021 season will include teams for players **ages 8 thru 12 as of April 30th, 2021** with tryouts to be held on **August 27<sup>th</sup> thru 30<sup>th</sup>**. Specific days, times and sites will be announced soon.

Teams at 13U and above may be formed based on specific requests and/or level of interest.

There is no cost to try out for a Millcreek Riptide travel team. However, all interested players must register on-line at: [www.MYAAsports.com](http://www.MYAAsports.com) to reserve a spot. This will give us an opportunity to prepare for the numbers of interested players at each age group and ensure that we have the right number of coaches in place. Individuals wishing to coach a Riptide team are also asked to register on-line to be considered for a position, and/or contact Millcreek Riptide Director **Jeff Scarpitti** with your level of interest.
