CODE OF CONDUCT POLICY

Overview:

The Sandpoint Little League is concerned about the safety and well being of the children participating in Little League Sports Activities. This includes both the Physical and Mental well being of each participant. Managers, Coaches, Parents and Fans need to have a positive influence on our players and will be evaluated accordingly.

The Sandpoint Little League Board of Directors has instituted a Code of Conduct Policy that will help enforce an acceptable Code of Conduct for all participants in Sandpoint Little League activities. A Conduct Review Committee will evaluate each reported incident to determine the appropriate action to be taken. A Code of Conduct Incident Form may be filed by any Manager, Coach, Umpire, Board Member or Volunteer Evaluator. This method of reporting infractions should remove the subjective nature from evaluating a Code of Conduct Incident.

Conduct Review Committee:

The Conduct Review Committee will be comprised of the President, Safety Officer and three other board members. The Conduct Review Committee will be nominated and accepted by the Sandpoint Little League Board of Directors at the beginning of each season. Two Alternative Conduct Review Committee Members will be nominated in case a conflict of interest is determined in the review of a specific incident.

Three Strike Policy:

All participants in the Sandpoint Little League will adhere to the "Three Strikes and You're Out" principle. The Conduct Review Committee will assign Strikes according to the severity of each incident. Depending on the incident, an infraction can carry more than one Strike as determined by the Conduct Review Committee. Figure 1 is a guideline for assignment of Strikes by the committee. Strikes may only be filed against an individual if a majority of the Conduct Review Committee determines that an infraction has been committed. All decisions made by the Review Committee are at their discretion and all decisions are final. Strikes are cumulative each season and will not carry over into the next season. Assigned Strikes will be used by the Board in evaluating and accepting Volunteer Positions each year.

Evaluation Procedure:

A Code of Conduct Incident Form may be filed by any Manager, Coach, Umpire, Board Member or Volunteer Evaluator. Evaluators will be sent out to monitor and evaluate games throughout the season. The Volunteer Evaluator will file a Game Report Summary for each game he/she attends. A Code of Conduct Incident Form may be filed if the Volunteer Evaluator feels that a Manager, Coach, Umpire, Fan or Player has not adhered to the Code of Conduct as outlined in Figure 1. A Volunteer Evaluator may not use a game that his/her son/daughter participates in for evaluation purposes.

Notice of Infraction:

The Conduct Review Committee will send via the United States Post Office a Notice of Conduct Infraction to the offending party with a description of the resulting penalty. Examples of applicable penalties are included in Figure 2 below as a reference.

Conclusion:

As Board Members, Managers, Coaches and Volunteers we are entrusted with the well being of the participants in the Sandpoint Little League. It is critical that each child have a positive experience with his/her participation. Umpires, Volunteers, Parents and Players all must be educated in Code of Conduct expectations and enforcement. The Conduct Review Committee must consistently enforce this policy to provide a healthy playing environment for all participants in the Sandpoint Little League.
