DESERT FOOTHILLS SOCCER CLUB

Team Manager Guide

Thank you for volunteering your time to be a Team Manager! Below are some instructions to assist you in your role:

Manager Registration

Arizona Youth Soccer Association (AYSA) requires that all volunteers pass a background check. Please provide your name, email, contact number, and the team name you manage on the sign-in sheet at the manager meeting. Otherwise, you can send this information to desertelitesoccer@gmail.com. You will receive an email from the club through getsport.com. Follow the instructions in the email to submit your report. Once you are approved, you will be linked to your team. This may be the only time you will need to log in to your Manager account. All other functions will involve your Team account. You will be provided with your team's Gotsoccer login information (see Gotsoccer Team Account).

Team Set-up

Player Registration: Verify that all your players have registered online with DFAC, as your team will not be able to move to the next step. You can work with the DFAC office to check the status of your players. Once your team is complete, it will be submitted to the club registrar for the processing of player passes.

Player Passes: All league games and tournaments require that each player have an AYSA player pass, laminated with his/her picture. Passes will be printed for all registered players, coach(es), and managers (if you completed the background check mentioned above). You will be given the passes in exchange for the following from each player:

- Elite Player Commitment Letter
- Elite Player Financial Commitment Form
- AYSA Code of Conduct
- AYSA Medical Release (**required form** but only needs to be notarized* if going out of state)

** The club has a notary on staff.*

These forms can be emailed to each manager, upon request, to distribute to Elite families for completion. The Club will keep all forms except the AYSA Medical Release which will be handed back.

Passes are required to be laminated with a picture of the player (this applies to coaches and managers as well). Ask each parent for a 1" picture, OR, upload a digital picture into each player's Gotsoccer account that will automatically be printed onto the pass. Parents may upload pictures as well, HOWEVER, please instruct your parents that the picture must be passport-style with a headshot only—NO ACTION SHOTS or FULL BODY.

Once you have the player passes laminated, including the coach and manager(s) passes, put them all on a ring or keychain. YOU will keep the passes, and they must be presented prior to each

league game or tournament game/check-in. A “If found, please contact” information card is recommended. NOTE: Teams will be charged \$10 to reprint a lost player pass.

GotSoccer Team Account: Each manager should have a username and password for your team account. The team login is the same as last year. If you are unsure of your login information, please contact desertelitesoccer@gmail.com. Prior to the season start, most team changes will already have been updated by the club.

- Go to www.gotsoccer.com, click the User Login at the upper right of the screen, scroll down to the blue Login button under Teams & Team Officials, enter Username and Password.
- NOTE: To update the manager information, you must login as a manager using your personal username and password. Those updates will populate to the team account you are linked to. The same is true for coach’s personal information, which he/she is responsible for.
- If there is a coaching change, the club will make that selection for your team.
- GotSoccer does not allow team managers to permanently add or delete players to their roster. However, you can still update player information or upload a photo. BE SURE TO UPDATE EACH PLAYER WITH THEIR JERSEY NUMBER.
- If you have permanent roster changes during the season, please email desertelitesoccer@gmail.com. To add a player to your roster for a game or tournament, those steps will be covered under Tournaments and Regular League Games section.
- If you have new players joining in the middle of the season, please contact the office.
- To remove a player permanently from your roster, AYSA requires the player complete an online Player Release or Player Transfer form. If the player still owes team fees, notify the Club.

Player List: Creating and maintaining your own contact spreadsheet is very helpful. Items to include would be jersey number, parent’s names with cell phone numbers, email addresses, and player cell phone numbers. Keep this list up to date and in your Team Notebook. **When emailing the entire team, please BLIND COPY all families.**

Team Notebook: You will need to bring a team binder containing the AYSA medical releases to all games. In a 3-ring binder, put each player’s medical release in a plastic sleeve, highlight the player’s name and date of birth, and put in alphabetical order—the same order as the player passes. This will facilitate check-in for tournaments. Extra plastic sleeves for player list, rosters, schedules, game cards, and budget items are recommended.

If you participate in President’s Cup or State Cup, you will need to provide copies of birth certificates for credential check-in only. You can request copies from the DFAC office. Do NOT keep copies in your notebook

Team Bank Account: Each team has a checking account set up under the Desert Foothills Athletic Club umbrella. This account will be used for team fees exclusively, which will be covered in a later section. Each team will be issued a debit card (no checks).

DON’T PANIC!! We are here to help you through this process.
Just call 480-488-8485 or email desertelitesoccer@gmail.com.

TeamSnap Account: Each team will have a TeamSnap account under the Desert Foothills Athletic Club “league,” which managers and coaches can use as the primary method of communication. The Basic plan is being offered at \$46 annually, which includes scheduling, sending emails, alerts, and payment collection and tracking. The cost should be built into your team budget.

League Registration (time sensitive)

Most teams play in the Arizona Premier League, Arizona State League or Port of Subs Open League (POSOL). AYSA requires that you apply for this “event” through your Gotsoccer Team Account. If you are unsure which league your team is in, ask your coach.

- Log in to TEAM your Gotsoccer account.
- Select “Events” on the black menu bar.
- Select “Search Events”
- Select AZ under the State pull-down menu and select League for Type, then click GO
- You should select either 2017-18 ARIZONA ADVANCED LEAGUES or 2017-18 Port of Subs Open League Season 1. For non-high school teams, you repeat this process in the fall for Season 2.

Items 1 - 7 of 7

- Click on Apply Now under the Application column for the appropriate event.
- You will have to login again to your Gotsoccer account to apply.
- Follow the prompts accordingly. Ask your coach which Preferred Division to select.
- **Select “Pay by check” - the club will pay ASYA on your behalf.**
- Select your blackout dates under the Request tab. These are dates you do not want to play because your team may be participating in a tournament that weekend, for example. This can be done at the time of application, or you can go back in later and select those dates. Just be mindful of the deadline to register, August 1. Work with your coach on these dates.
- **NOTE: This process is the same for applying to most Arizona tournaments as well.**

IMPORTANT: You will be required to repeat this process in the fall to apply for Season 2 for U14 and younger teams (high school teams do NOT play Season 2). Emails will be sent with deadline reminders.

Budget

Teams will establish a budget at the beginning of the season (see sample below) based on training rates, tournaments, conditioning, other miscellaneous items, and number of players.

SAMPLE BUDGET - U12-U14		TOTALS
REGULAR SEASON	<i>(hide these fields)</i>	
Training Fees/Practices-Coach	70	\$5,250.00
Training Fees/Practices-Back-up Trainer	35	\$2,362.50
Games	14	\$1,050.00
Scrimmages	3	\$225.00
Goalkeeper Match Performance Program (see Appendix B)		\$250.00
Additional Conditioning (\$75/week for 27 weeks)		\$2,025.00
TOURNAMENTS		
Tournament Games (estimate 4 at each)	24	\$1,800.00
Tournament (DFAC Elite Cup)		\$600.00
Tournament (Ahwatukee Classic)		\$750.00
Tournament (MSC United Patriot's Cup)		\$575.00
Tournament (Silver State)		\$800.00
Coach Expenses - Lodging (\$150/night)	\$300.00	
Coach Expenses - Meals 2-1/2 days (\$50/day)	\$125.00	
Coach Expenses - Gas (300 miles at .535/mile)	\$160.50	
Total Coach Expenses		\$585.50
Tournament (Blackhawks Invitational)		\$845.00
Tournament - Misc (estimate cost)		\$600.00
Tournament - President's Cup Championships (March-April)		\$725.00
MISCELLANEOUS (parties, team events, coaches gifts)		
TeamSnap		\$46.00
Coaches Cup Basket (\$10 X 15 players)		\$150.00
TOTAL TEAM EXPENSES		\$18,793.00
Cost Per Family (15 players)		\$1,255.93

Trainer Worksheets: To calculate the training fees, you will be emailed the training and game rates for your age group and level. Each month, you will also complete a timesheet to report the number of training hours and games. Before submitting, verify the numbers with your trainers and if there were any substitutes. Timesheets must be emailed to desertelitesoccer@gmail.com at least 3 business days before the 1st of month to meet the payroll deadline, or your coach/trainer will not be paid. Reminders will be sent monthly.

NOTE:

- DO NOT include dates beyond the payroll cutoff.
- Primary trainers receive 3 rainout/sick days, and back-up trainers receive 1 rainout/sick day.

Training Month		Team Name													
Instructions: 1) Form needs to be returned 2 days before the first of the month 2) Enter training month above for the month you are submitting for 3) Enter the full team (i.e. 00 Girls Red) 4) Enter the total hours (not sessions) for your head coach 5) Enter the number of Games coached during the month for your head coach (including tournament games) 6) Enter the total hours (not sessions) and games coached for your back up coach 7) If you had additional back up coaches, use Columns S & T to indicate which coach and number of hours or games

Provide a copy of the team budget to each family BEFORE the season starts so parents are aware of their financial responsibility and how the team fees are expected to be paid. Families are required to sign a Financial Commitment Form to remind them of their obligation to the team and the consequences of not making their payments.

- Provide families with an invoice or record of payment and balance each month until all payments are collected. This can easily be done through your TeamSnap account.
- If any one player is more than 30 days past due, notify the head coach immediately and the head coach will address with the family.
- If payment arrangements have not been made and satisfied accordingly, notify the club. DO NOT WAIT UNTIL THIS BECOMES A PROBLEM.

Travel Expenses

- Meals: \$50/day (\$10 breakfast, \$15 lunch, \$25 dinner)
- Mileage: \$.535/mile
- Lodging: Coaches traveling to the same tournament are required to share rooms (double occupancy), and teams will share the expense of the room. If a coach prefers a single occupancy room, he/she will be required to pay ½ the cost of the room. Coaches of opposite genders are not required to room together.

Accounting Report: At the end of the season, all teams must report and submit to the Club incoming and outgoing funds on an accounting spreadsheet (Appendix A).

Uniform Ordering

Managers will place a team order with SoccerGarage every 2 years, on the even years. Orders need to be placed by mid-June to ensure kits are received by our Desert Elite Cup tournament. All kits come with 2 jerseys (red/white), 2 shorts, 2 socks, and 2 training shirts. Keepers have the option to not purchase the entire kit, but a Desert Elite keeper jersey is required. There are sample sizes at the office.

Any players joining after the team order, or in the off-cycle year, can purchase directly from SoccerGarage.com. Players can also order backpacks and additional kits items on their own. Outerwear is highly recommended but not required, based on coach preference.

IMPORTANT: Managers need to coordinate jersey numbers and advise new players what numbers are available prior to ordering to avoid duplicates. Also, consider checking with other teams in your age group, as many teams borrow players.

Tournaments

Work with your coach to choose which tournaments your team will participate in (see sample budget above). The coach will provide a final tournament list once approved by the Club.

Once you have decided which tournaments to participate in (including our own Desert Elite Cup), follow these steps:

- Send the list of tournaments with dates (usually with budget) to the parents so they can mark their calendars early.
- Check deadlines online for registration and payment. Usually those are two different deadlines.
- For most tournaments, you can apply using the same process as League Registration through your Gotsoccer account. If you cannot find the tournament through Gotsoccer, you can apply through the specific tournament website.
- Check the tournament site regularly for credential check-in information (you should receive emails from the tournament about this as well) and other tournament procedures.
- Make sure to have your team notebook in order for credential check-in as noted above. If you are borrowing players, you must also have their medical releases and player passes for credential check-in. "Borrowed" players must also be listed in your Gotsoccer roster (see below under NOTES).
- At check-in, you may receive tournament pins, booklets, advertisements, etc., for distribution. Pins are usually given to the players following the game by the coach.
- Once the game schedule has been posted (usually weekend before tournament), forward to the parents and update in your TeamSnap account. **Make sure to check this regularly, as schedules often change.**
- Send a reminder to the parents with directions to fields. TeamSnap can do this automatically.
- Tournaments typically require that the entire team check-in together, usually 30 minutes prior to game time. Please remind players and parents of this requirement. You may need to turn in the player passes at the check-in table or to the referee at the field.

- Scores are recorded by the tournament.
- Don't forget to collect your player passes after each game.
- Out-of-state Tournaments: Teams are required to request permission to travel, and U14 and under pay a \$25 travel fee to AYSA in order to be covered by insurance. This process can be done through your Gotsoccer account. Once you've logged in, click on Events in the dark blue menu bar. Click on Permission to Travel in the grey menu bar.

NOTES:

- To add "borrowed" players to your roster for a TOURNAMENT:
 - o Login to your Gotsoccer team account.
 - o Click on Roster in the grey menu bar.
 - o Under View by Event, then select the specific tournament.
 - o If no roster appears, you will have to select "2017/2018 AYSA Registration Cards/Rosters" from the Roster Creator pull-down menu, then click Generate Roster.
 - o You will see a green "Add Guest Player" button. Click that and search for the player. Make sure to put the first and last name in the correct boxes, as well as change the age group if necessary. When player's name appears, click "Add Guest" and the name should appear highlighted in green.
 - o Click the blue "Generate Roster."
 - o Scroll down and click "Add Guest" next to the borrowed player.
- For tournaments, you can borrow any other club player in your age-group or younger, regardless of what DFSC team he/she currently plays for.

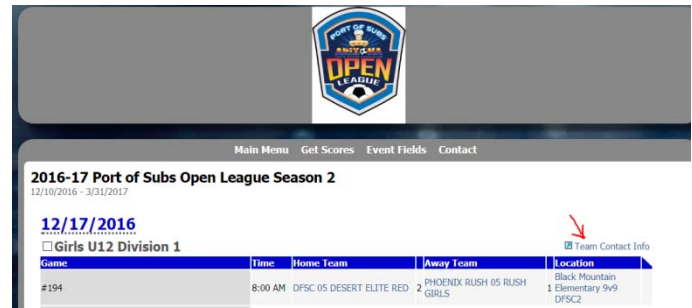

Regular League Games

Games may start the second to third weekend in September. Most games are played on Saturday, however, Arizona Premier League and Arizona State League games are also scheduled during the week or on Sundays as well, sometimes two in one weekend. Schedules are usually available within the first couple weeks of September.

- Check the game schedule under the Schedule column for the League event on your home page in your Gotsoccer account. You can also check the schedule on the AYSA website at www.azyouthsoccer.org by selecting Clubs/League Play, choose the appropriate league, and scroll down to the blue schedule link. This is a good site to bookmark.
- If you are the Home team (listed first on the schedule), it your responsibility to provide the game card. While in your team account, this can be printed by clicking on the Adobe symbol by the game number in the left grey column. You may want to print game cards for away games in the event that the other team forgets.
- Schedules often change, so check the site regularly.
- Enter in TeamSnap and email the initial schedule to your parents (and any changes as they come up).

- For POSOL teams, a week prior to each game, reach out to the other team's manager to confirm game time and location. On the AYSA schedule link, the manager's name and email can be found by clicking on the team name, then the Team Contact Info link. If there are conflicts, see instructions below under Home Field Procedures.

- The week of each game, you can send a reminder email to the parents along with directions for away games, what field number, how early to be there (depends on coach preference), etc. TeamSnap will also send automatic reminders.
- If you are borrowing players, you can write their information on the game card. You will need to obtain their player pass. You can borrow ANY club player from your team age group or younger.
- DON'T FORGET THE PLAYER PASSES.
- Following the game, if you are the Home team, the referee will return the game card, and you

will need to call in the score. The instructions are at the top of each game card. If you have the QRReader app, you can also do this from your smart phone.

At some Arizona Advanced League games, the officials will keep the game card and call in the scores for you.

- **Before you leave, please pick up any trash!**

Home Field Procedures

Only teams in the Port of Subs Open League will have games at DFSC home fields.

Game Conflicts/Rescheduling: If you have a HOME game conflict or reschedule (ie, coaching conflict or rainout) and need to change the game time, please follow these steps:

- Contact the Field Director **FIRST** at desertelitesoccer@gmail.com to determine what alternative times are available. AYSA allows game "time" changes, but not game "day" changes.
- Discuss with your coach to determine which times will work.
- Contact the away team to find a time that works for both teams.
- Let the Field Director know which time is agreed upon and to verify that time is still available. **Confirmed game times must be communicated to the Field Director by Wednesday evening.**
- Once the new game time is confirmed, communicate changes to your parents.
- New game times may not be updated and reflected on the AYSA game schedule.

Extra Practices/Scrimmages: Additional trainings/scrimmages may be played on our home fields. Please follow the steps above to schedule these events.

Goals/Nets: Some home fields require nets or goals to be set up or taken down by the home team.

- **Desert Broom** – Any U13-U18 teams playing on Desert Broom will need to make sure they have nets PRIOR to game day. If you are the first team playing that day, contact the manager or coach that last played on that field and coordinate a time to get the nets. Nets must be set up AND taken down after the last game of the day. You can check game schedules for that field at www.azyouthsoccer.org, Clubs/League Play, Port of Subs Open League, and clicking on the schedule button. When the grid of teams and divisions pops up, click on the Event Fields button in the grey bar at the top of the page. Scroll to Desert Broom, and select View Schedule. You will see all games scheduled on this field and access team contact information. Bookmark this site.
- **The Learning Center** – U8/U9/U10 Academy teams have portable goals that must be set up and taken down each Saturday, which is usually transported by the Academy director. Communicate to your parents to show up early to assist with set up or stay late for tear down.
- **Black Mountain Elementary (U11/U12)** have permanent goals and do not require any additional set up or take down other than possibly moving goals back into place on the field.

Inclement Weather Closures: There will be practices and games cancelled due to rain. The club follows the City of Phoenix or CCUSD policy for closure of ALL DFAC fields, and every effort is made to update the Field Status link on our website as soon as the City or school district has made their determination, which sometimes can be into the afternoon on practice days. You can check this at our website, www.dfacsports.com and clicking on the FIELDS tab or call the City of Phoenix Northeast Inclement Weather line at 602-495-7444. Emails/texts will also be sent so you can let your parents know as soon as possible. It is not necessary to call or email the club for status.

If field closures occur on a game day, POSOL home fields will be available for rescheduled games on a first-come, first-served basis. State League games are rescheduled by ASYA. Refer to the Game Conflicts/Rescheduling section above.

Until you receive an email/text, or the Field Status link has been updated, assume your game or practice will proceed as scheduled.

NOTE: It is Club policy that coaches will respect a parent's decision to keep a child home from practice or other club activity due to school schedule, family obligations, or safety concerns. It is important for the parent or player to communicate that to the coach PRIOR to missing a session.

Helpful Hints:

- Many teams have a bench and canopy for the players. Elect another parent to be equipment manager for the team.
- It is helpful to have a first-aid kit available that another parent can be responsible for keeping on hand.
- Some teams divide manager duties. For example, one manager can be in charge of paperwork and communications, and another in charge of finances.
- When borrowing players, duplicate jersey numbers can occur. Carrying black and white electrical or duct tape is useful for quick number changes at the field.

A graphic with the words "THANK YOU!" in a large, blue, hand-drawn font. The word "THANK" is on the top line and "YOU!" is on the bottom line. Below "YOU!" is a thick, orange brushstroke underline.

Prepared by:

Goalkeeper Match Performance Program 2017/2018 Season

Goals:

- Continue to give the attention this very specialized position needs.
- Collect game-specific feedback.
- Director of Goalkeeping to personally attend matches.
- Develop the best goalkeepers in the valley!

What's Included:

- A full 35-minute warm up and game preparation for your keeper.
- A completed game evaluation packet for your keeper to take home and review. Information collected in this packet will be immediately integrated into All training sessions and will be communicated with the Head Coach
- Two-minute feedback with your keeper at half time and full time.
- Game data collected will be shared with Directors and Head Coach.
- Baseline testing at beginning, middle and end of the season on speed across the goal, vertical leap, and length of dive.

99-04 Red Team Age Groups

- Based on a 35-week season from September 1- May 6 (including State Cup but excluding 3 weeks for holidays)
- Director of Goalkeeping attends 5 games per team
- Rate: \$50 per game evaluation
- Annual Cost per team: \$250 per season
- Annual Cost per player (based of 15-player roster): \$17

99-04 Black Team Age Groups

- Based on a 28-week season from September 1- April 1
- Director of Goalkeeping attends 4 games per season
- Rate: \$50 per game evaluation
- Annual Cost per team: \$200
- Annual Cost per player (based on 13-player roster): \$16

05-06 Age Groups Both Red and Black

- Based on 28 week season from September 1- April 1
- Director of Goalkeeping attends 3 games per season
- Rate: \$40 per game evaluation
- Annual Cost per team: \$120
- Annual Cost per player (based on 12-player roster): \$10

Questions: Contact Jack Soutar at 818-961-4545 or jsouts@hotmail.co.uk
