Exact dates will be determined in consultation with the District Administrator.

Leagues will be drawn one at a time. When a league is drawn, they may select an available tournament or pass. This will continue until all tournaments are selected, or all leagues are drawn. If tournaments remain, leagues will have the opportunity to select a second tournament. The Late 10s, 11s, and 12s will not be available for selection until at least one each of the 7s, 8s, and 9s have been selected.

By selecting a tournament to host, the league agrees to follow the District rules for that tournament with no variation. Changes to the rules shall not be agreed to by managers at the tournament meeting.

Tournament information (tentative dates for tournament meeting and tournament) shall be distributed by May 20 (Presidents Meeting).

Participating leagues shall submit payment for each tournament by July 1, or the start of the tournament, whichever is earlier.

Early 8s will require a designated Game Director to be present at every game.

Early 7s, 8s, and 9s Tournament Meetings scheduled in coordination with DA.
