2849 Eason Road  
Chesapeake, VA 23322**

**SCAA has 15 fields in our 100 acre complex.**

SCAA is a non-profit 501c3 baseball and softball organization located in Chesapeake, Virginia that is run by unpaid volunteers. There are approximately 1,300 boys and girls that participate in this organization each Spring and approximately 1,200 boys and girls in the Fall. In addition, SCAA hosts several baseball and softball tournaments throughout the year adding an additional 7,000-10,000 people at our complex. We are the largest organization of our kind in Hampton Roads.

The SCAA organization began in 1961 as Great Bridge Little League and has transformed and grown through the years to the PONY organization it is today. PONY stands for Protect Our Nation's Youth, and SCAA works to embody that objective. We are truly proud of our baseball and softball programs. We not only teach our players about the fundamentals of the sport but also teamwork, self-discipline, perseverance and leadership skills. With the support of our sponsors we continue to grow our youth sports program and maintain a positive impact and influence on our players and the community.
