

SCAA Select Baseball Rules and Regulations

Approved March 4, 2024

Sunday Select (Select) program is offered by SCAA so that those players wishing to experience a higher competitive level may have an opportunity to do so. This program is a supplemental program to our normally provided Recreational baseball program. These teams are all to be known as “Southern Chesapeake Athletic Association Thunder”, or “SCAA Thunder”.

As of the November 2023 SCAA Board of Directors Meeting, SCAA no longer has a Travel baseball program. All current teams approved as Travel will be grandfathered to continue until that specific team is disbanded. Grandfathered Travel Teams are to follow the last set of rules and regulations governing Travel Teams at SCAA dated January 2017.

A. Definition of Full and Limited Select Programs

- a. PONY Baseball in the East Zone, South Region, Northeast Section (SCAA's Zone/Region/Section) has identified two differing types of Select Baseball team designation: Full Select and Limited Select.
 - i. Full Select Program: Teams enrolled in the Full Select Program will play an interlocking schedule consisting of at least 12 games with other Full Select teams from other Pony organizations. Full Select teams will not participate in the SCAA regular season recreational schedule. The Full Select program is available for teams in the Pinto through Bronco divisions (7U – 12U age groups).
 - ii. Limited Select Program: The Limited Select Program is available for teams in the Pinto through Palomino divisions (7U – 18U age groups). Players enrolled in the Limited Select program will participate in the SCAA recreational baseball season as players in the league. These players will play on their Limited Select team in addition to their recreational baseball team.
 - iii. Full and Limited Select Teams will be eligible to play in Pony all-star tournaments.
 - iv. Teams must declare their intention to play as Full or Limited Select Teams no later than February 1 of each year. Team designation will remain the same for one full calendar year.

B. Eligibility of Players for Select Teams

- a. PONY further defines eligibility to participate in Select Baseball play as:
 - i. Players must be of legal age as per the PONY Baseball League Age Key.

 1. SCAA Baseball boundaries are currently defined by PONY as “the City of Chesapeake or anywhere in the State of North Carolina.”
 - iii. Full Select team players must have a minimum twelve (12) game Full Select schedule.

Upon written request from SCAA, PONY Region Directors may lower this requirement to participation in one-third of a team's games for a player or players who are engaged in a state

high school baseball tournament and are prohibited from PONY Baseball play until scholastic competition is completed. Any players who participate in the USA Baseball Tournament of Stars will have those games count towards this total.
