

January, 2024

Dear Warwick Little League Supporter,

Warwick Little League wants to thank you for your sponsorship consideration and support. With over 250 local Players involved in this program, your dedication to the league is greatly appreciated. We register over 250 local children a year into this worthwhile program that promotes teamwork, fairness, sportsmanship, fitness, commitment, and personal growth. Although it may seem early, in order for our Spring and Summer seasons to run smoothly, we need to have all of our sponsors lined up by February 15th. We as a League will continue to offer baseball for all children ages 4-16 because of your support!

What does all of this mean? We would love to count on your commitment this year in sponsoring a team. The money from team sponsorship contributes to a variety of necessary purchases; team uniforms, equipment, field maintenance, umpires, and insurance are just a few of the expenses incurred during the season.

Warwick Little League is using sponsor names to identify teams and will have the business name placed on player jerseys. As a sponsor you will also be featured on our website, our Facebook page, and our Twitter page throughout the season. We hope you will like our new efforts to publicly thank you for your donation to our league and always know that all of our volunteers, parents, and players truly appreciate your help in making our League great!

The following is a breakdown of the sponsorship levels for the 2024 season. Please accept our personal invitation to come see these children in their glory, playing the All American Pastime. For game schedules please visit our website; www.warwickll.com.
