## Pennsylvania District 8 & 14

### Little League Baseball

## District 8/14 Umpire Clinics

The District 14 Umpire Clinics are now only two (2) sessions in length. There will be different material presented at each session, with session two geared more to umpire mechanics and positioning.

The clinic sessions are “*mirrored*” to provide the student the flexibility to attend a missed session. The interactive discussions with the attendees may vary, but the material that is presented is always the same.

## District 8/14 Coaches Clinic

Since many leagues don't have their Managers and Coaches selected by the time these clinics start, in 2024, we started a “Coaches Clinic”. This affords those who would like to get the information, an opportunity to do so.
