

BOLINGBROOK TROJANS YOUTH ATHLETIC ASSOCIATION

EMERGENCY PLAN

The following outline is the emergency plan for injuries, as well as severe weather conditions. This serves only as an outline, and once trained emergency personnel from the Village of Bolingbrook are on site, their actions will supersede any plan put in place by the Trojan Organization. At every game, a minimum of four (4) Trojan Board Members will be always be present to assist and expedite our Emergency Plan.

FACILITY INFORMATION

1. All football games will be played at Trojan Field. The field is located on Bolingbrook Park District property at the Annerino Center. The address is 201 Recreation Drive Bolingbrook, IL 60440.
2. All EMS vehicles and personnel will enter the gates located at the Northeast corner of the field.
3. Each team carries a complete medical kit with them at all games and practices. There is also a complete medical kit located in the Concession Stand, as well as the Announcer's Booth. Each kit is stocked with all necessary items. It is the Head Coach's responsibility to notify the Trojan Equipment Manager for replacement items for the medical kit.
4. Each team is responsible for their own supply of water or other necessary fluids.

WEATHER EMERGENCY

1. The highest-ranking Board Member present is the "weather watcher".
2. The Annerino Center personnel have access to inclement weather radio broadcasts.
3. In case of bad weather where indoor facilities are required, all players will enter the Annerino Center main building. There is no key necessary to enter the building. The building is accessible during game times.
4. The Annerino Center has room for players and spectators.

INJURED PLAYERS

1. If a player is injured at practice and/or in a game, the Head Coach (or his designate) will stay with the athlete at all times, or until the parent/guardian arrives.
2. Once an injury occurs, the Head Coach (or his designate) will contact the parents/guardians.
3. All medical records, and release forms, will be kept in the Roster Book. The Roster Book will be with the head coach (or his designate) at all practices and games.
4. A certified trainer will check the status and severity of the injury, if the team has one, if not, a CPR trained Board Member will check the status and severity. If CPR is necessary, a certified, CPR person on the Board of Directors will give it until professionally trained emergency personnel arrives.

COMMUNICATIONS

1. Each division has either a certified trainer or a certified CPR person. Injuries will be directed through them until trained emergency personnel from the Village of Bolingbrook arrives.
2. Each team will have at least two cell phones, fully charged, at each practice and games.
3. All emergency calls are placed to 911.
4. If mobile cell service is unavailable, pay phones are located inside the Annerino Center.
5. The Head Coach certified trainer/CPR person, and members of the Board of Directors that are present, will make all emergency decisions.
6. As soon as an ambulance is deemed necessary, the Board Members present will make the call to request the ambulance and/or other necessary emergency personnel.
7. The Board Members present will meet the ambulance at the Northeast gate entrance onto the football field, and they will inform the emergency personnel as to the location of the injured athlete.
8. The EMS personnel will inform the Head Coach and Board Members as to where the injured person will be taken. At that time, the Head Coach (or his designate) will contact the parents/guardians as to where the injured player will be taken.
9. Board Members present will handle crowd and player control.
